The Property is hereby made subject to, and shall be governed by the Declaration, and the covenants, conditions and restrictions set forth herein.

The Property is SUBJECT TO the described easements and rights of way.

TOGETHER WITH all easements, rights-of-way, and other appurtenances and rights incident to, appurtenant to, or accompanying the above-described parcel of real property.

ALL OF THE FOREGOING IS SUBJECT TO: All liens for current and future taxes, assessments, and charges imposed or levied by governmental or quasi-governmental authorities; all Patent reservation and exclusions; any mineral reservations of record and rights incident thereto; all instruments of record which affect the above-described Property or any portion thereof, including, without limitation, any mortgage or deed of trust; all visible and necessary easements and rights-of-way; all easements and rights-of-way of record; any easements, rights of-way, encroachments, or discrepancies shown on or revealed by the Plat Map or otherwise existing; an easement for each and every Common Area and Common Facilities, including all equipment, pipes, lines, cables, wires, utility systems, or similar facilities which traverse or partially occupy the above-described Property; and all easements necessary for servicing, repairing, ingress to, egress from, maintenance of, and replacement of all such Common Area and Common Facilities, including all equipment, pipes, lines, cables, wires, utility systems, and similar facilities.

III. COVENANTS, CONDITIONS, AND RESTRICTIONS

The foregoing submission is made upon, under and subject to the following covenants, conditions, and restrictions:

1. Description of Improvements. The significant improvements contained in the Project include residential Lots, Dwellings, and Common Area. The Project will also contain other improvements of a less significant nature. The location and configuration of the improvements referred to in the foregoing sentences are depicted on the Plat Map for the entire development.

2. Description and Legal Status of the Property. The Plat Map shows the type and location of each Lot and its Lot Number, which are reserved for the exclusive use of a Lot or Lot Owners, and the Common Areas and Facilities in the vicinity. The Common Area shall be deeded to and owned by the Association. All Lots shall be capable of being independently owned, encumbered, and conveyed, and shall have separate tax identification or parcel numbers.

3. Membership in the Association, Classes of Membership and Voting Allocations. Membership in the Association is mandatory and may not be partitioned from the ownership of a Lot. Each Lot Owner by virtue of his accepting a deed or other document of conveyance to a Lot is deemed to be a member of the Association. The Association shall have two classes of membership – Class A and Class B – described more particularly as follows:

(a) Class A. Class A Members shall be all Owners with the exception of the Class B Members, if any. Class A Members shall be entitled to vote on all issues before the Association, subject to the following:

(1) One Vote. Each Lot shall have one (1) vote;

(2) Subject To Assessment. No vote shall be cast or counted for any

Lot not subject to assessment;

(3) Multiple Owners. When more than one (1) person or entity holds such interest in a Lot, the vote for such Lot shall be exercised as those persons or entities themselves determine and advise the Secretary of the Association prior to any meeting. In the absence of such advice, the vote of the Lot shall be suspended in the event more than one (1) person or entity seeks to exercise it.

(4) Leased Lot. Any Owner of a Lot which has been leased may, in the lease or other written instrument, assign the voting right appurtenant to that Lot to the lessee, provided that a copy of such instrument is furnished to the Secretary at least three (3) days prior to any meeting.

(b) Class B. Class B Members shall be the Declarant and any successor of Declarant who takes title for the purpose of development and sale of Lots, and who is designated as such in a recorded instrument executed by Declarant. The Class B Member shall originally be entitled to five (5) votes per Lot owned. The Class B membership and the Class B Control Period shall terminate, and Class B membership shall convert to Class A membership upon the happening of the earlier of the following (the "Event" or "Events"):

(1) Lots Sold. Four (4) months after the last Lot owned by the Declarant has been sold and closed; or

(2) Seven Years. Seven (7) years from the effective date of this Declaration; or

(3) Election. When, in its sole discretion, Declarant so determines.

From and after the happening of these events, whichever occurs earlier, the Class B Member shall be deemed to be a Class A Member entitled to one vote for each Lot owned. After the occurrence of such event, the Declarant shall call a meeting, in the manner described in the Bylaws of the Association for special meetings, to advise the membership of the termination of Class B status and, if it has not already occurred, to schedule transition of the operation and management of the entire Project to the Association.

4. Status and Registration of Association.

(a) The Association shall be in the form of a corporation. The governing board may unilaterally re-file the articles of incorporation of the Association if its status has been suspended or dissolved, and it may adopt the prior bylaws.

(b) The Association shall register with the Utah Department of Commerce and pay the Registration Fee¹ as required by statute.

5. Conveyancing. Any deed, lease, mortgage, deed of trust, or other instrument

conveying or encumbering a Lot shall describe the interest or estate involved substantially as follows:

All of [Lot No. _____] contained within Spring Creek Cove [Phase No. _____ (if applicable)], as the same is identified in the Plat Map recorded in Salt Lake County, Utah as Entry No. 1309446 in Book 2021 P at Page 164 of the official records of the County Recorder of Salt Lake County, Utah (as said Plat Map may have heretofore been amended or supplemented) and in the Declaration of Covenants, Conditions, and Restrictions of Spring Creek Cove recorded in Salt Lake County, Utah as Entry No. 1309446 in Book 1192 at Page 8842-8924 of the official records of the County Recorder of Salt Lake County, Utah (as said Declaration may have heretofore been supplemented).

Regardless of whether or not the description employed in any such instrument is in the above-specified form, all provisions of this Declaration shall be binding upon and shall inure to the benefit of any party who acquires any interest in a Lot. Membership in the Association and the non-exclusive right to use and enjoy the common area shall not be separated from the Lot to which they appertain; and, even though not specifically mentioned in the instrument of transfer, such mandatory membership in the Association and such right of non-exclusive use shall automatically accompany the transfer of the Lot to which they relate.

6. Rights of Owners. Except as may be specifically set forth in the Project Documents, neither the Board nor the Members may adopt any Rules and Regulations in violation of the following provisions, though where not specifically provided for otherwise the following provisions may be altered by an amendment to this Declaration if permitted by law:

(a) Similar Treatment. Similarly situated Owners and occupants shall be treated similarly.

(b) Flags, Signs, Religious and Holiday Displays. The Association may not prohibit the display of a U.S. flag inside a Lot or Dwelling, if the care of the flag and display is consistent with federal law. The Association may control and restrict the display of a flag in the Common Area. The rights of Owners and occupants to display religious and holiday signs, symbols, and decorations on their Lots of the kinds normally displayed in residences located in single-family residential neighborhoods shall not be abridged, except that the Association may adopt time, place, and manner restrictions regulating displays which are visible from outside the Lot.

(c) Household Composition. No rule shall interfere with the freedom of occupants of Lots to determine the composition of their households, except that the Declaration limits residency in a Dwelling to a Single Family and the Association shall have the power to limit the total number of occupants permitted in each Dwelling on the basis of the size and facilities of the Dwelling and its fair share use of the Common Area.

(d) Activities Within Lots. No rule shall interfere with the activities carried on within the confines of Lots, except that the Association may prohibit activities not normally associated with property restricted to residential use, and it may restrict or prohibit any activities that create monetary costs for the Association or other Owners, that create a danger to the health or safety

of occupants of other Lots, that generate excessive noise or traffic, that create unsightly conditions visible from outside the Lot, or that create any unreasonable sound or annoyance.

(e) Allocation of Burdens and Benefits. No rule shall alter the basis for allocation of financial burdens among various Lots or rights to use the Common Area to the detriment of any Owner over that Owner's objection expressed in writing to the Association. Nothing in this provision shall prevent the Association from changing the use of the Common Area and Facilities, from adopting generally applicable rules for use of Common Area and Facilities, or from denying use privileges to those who abuse the Common Area, violate Project Documents, or fail to pay assessments. This provision does not affect the right to increase the amount of Assessments.

(f) Alienation. Subject to the restrictions found in Section 7 herein, no rule shall prohibit the leasing or transferring of any Dwelling, or require consent of the Association or Board for leasing or transferring of any Lot.

(g) Reasonable Rights to Develop. No rule, amendment to this Declaration, or action by the Association or Board shall unreasonably impede Declarant's right to develop in accordance with the Master Plans, including, but not limited to, the rights of the Declarant as set forth herein.

(h) Abridging Existing Rights. Any rule which would require Owners to dispose of personal property being kept on the Property shall apply prospectively only and shall not require the removal of any property which was being kept on the Property prior to the adoption of such and which was in compliance with all Rules and Regulations in force at such time unless otherwise required to be removed by law. The limitations in this subsection shall apply to Rules and Regulations only; they shall not apply to amendments to this Declaration.

(i) Nature and Restrictions on Ownership and Use in General. Each Owner shall have and enjoy the privileges of fee simple ownership of his Lot. There shall be no requirements concerning who may own a Lot, it being intended that they may and shall be owned as any other property rights by any Person. The Project shall be used only for residential purposes, except as expressly set forth below, and the Common Areas and Facilities shall only be used in a manner consistent with the residential nature of the Project.

(j) Mandatory Association. Each purchaser of a Lot by virtue of his acceptance of a deed or other document of conveyance shall automatically become a Member of the Association.

(k) Easements and Rights of Way. Declarant hereby reserves to itself and grants:

(1) Common Easement. A perpetual right-of-way and non-exclusive easement over, across, and through the Project for use in common by the Declarant and Owners, subject to all of the terms, covenants, conditions and restrictions set forth herein.

A temporary construction easement to the Declarant, for itself and its affiliates and assignees, over, under, across, and through the Project for the purpose of doing all things that are reasonably necessary as a part of constructing any new improvements for the Project including all physical improvements as well as all Lots and Homes. The Owners do hereby acknowledge and agree that there will be construction activities, traffic, noises, odors, and vibrations which may temporarily disrupt their quiet enjoyment of their Lots and Homes until all improvements are complete, and such Owners do hereby waive any right to object to such construction activity; provided, however, Declarant shall endeavor to use reasonable efforts to minimize the adverse impact of such construction activities on the Owners, Lots, and Homes. Declarant's construction activities pursuant to the easement granted hereunder shall not be deemed to be a violation of the Use Restrictions.

(5) Locations of Facilities Easements. A non-exclusive easement to the Declarant, for itself and its affiliates and assignees, to construct, operate, maintain, repair, and replace all types of telecommunication facilities, including but not limited to, roof antennas, within suitable locations for such facilities (the "Locations of Facilities") within the Project. Declarant further reserves a right of access to the Locations of Facilities over, across, under, and through the Project in order to access the Locations of Facilities to exercise the rights established herein. Declarant may exercise all of such rights unilaterally and without the consent of any Owner.

(6) Non-Exclusive Utility Easement. A non-exclusive easement to the Declarant, and its affiliates and assignees, over, across, through, and under the Property for ingress to, egress from, and installation, replacement, repair, and maintenance of all utility and service lines and systems, including, without limitation, water, sewer, gas, telephone, electricity, and cable communication that service the Property or any portion thereof as well as any such lines and systems which service property owned by the Declarant.

Permitted Devices attached to a Building or mounted on the patio, balcony, or deck must extend no

higher than the eaves of that portion of the roof of the Dwelling directly in front of such antenna or dish. The Board may adopt Rules and Regulations establishing a preferred hierarchy of alternative locations and requiring screening of all Permitted Devices, so long as such Rules and Regulations do not unreasonably increase the cost of installation, maintenance, or use of the Permitted Device. Anything to the contrary notwithstanding, it is the intent of this document to at all times comply with the applicable federal, state and local laws, and regulations adopted by the FCC – as they may be amended from time to time. **DO NOT INSTALL AN ANTENNA OR SATELLITE DISH OUTSIDE YOUR LOT OR IN THE COMMON AREA WITHOUT FOLLOWING THE PROVISIONS OF THIS SECTION.** Antennas or Satellite dishes installed by an Owner or resident in violation of this section may be removed by the Board without further notice or warning and at the owner's sole risk and expense.

(13) Window Coverings. No-aluminum foil, newspapers, reflective film coatings, sheets, bedspreads, or any other similar materials may be used to cover the exterior windows of any residential structure on a Lot. Sunshades are not allowed on the exterior of any Building.

(14) Windows. All windows and window units in the Project shall be harmonious, and comparable in size, design and quality so as not to detract from uniformity in appearance and quality of construction.

(15) Pets. No pets, animals, livestock or poultry of any kind shall be bred in, on or about the Project. Unless written approval is given by the board up to two (2) domestic pets per Lot are allowed; however, the Board may adopt Rules and Regulations regarding restrictions on size and weight of pets. Pets must be properly licensed and registered by the appropriate governmental agency where required. Pets may not create a nuisance. The following acts may constitute a nuisance: (a) causing damage to the property of anyone other than the pet owner; (b) causing unreasonable fouling of the air by odors; (c) causing unsanitary conditions; (d) defecating on any common area when the feces are not immediately cleaned up by the responsible party; (e) barking, howling, whining or making other disturbing noises in an excessive, continuous or untimely fashion; (f) molesting or harassing passersby by lunging at them or chasing passing vehicles; (g) attacking or threatening to attack people or other domestic animals; (h) otherwise acting so as to bother, annoy or disturb other reasonable residents or interfering with their right to the peaceful and quiet enjoyment of their property; (i) the mere number of pets maintained creates an offensive or dangerous condition to the health, welfare or safety of other residents; or (j) a violation of the City pet ordinance. Pets in the Common Area must be in a cage or on a leash and under the control of a responsible person. Pets may not be tied, tethered or left unattended in the Common Area. The Board may establish Pet Rules and charge a pet deposit and/or a registration fee.

(16) Wildlife. Capturing, trapping or killing wildlife within the Property is prohibited, except in circumstances posing an imminent threat to the safety of persons or pets using the Property.

(17) Vegetation. Activities which materially disturb or destroy the vegetation, wildlife, or air quality within the Property or which result in unreasonable levels of sound or light pollution are prohibited.

(20) Erosion, Dust or Pollen. Behavior which causes erosion or unreasonable amounts of dust or pollen is prohibited.

(21) Driveway, Entry, Deck, Patio and Balcony. The Board may adopt reasonable Rules and Regulations to regulate and control the appearance and use of driveways, entries, decks, patios, and balconies within the Project, including by way of illustration but not limitation a regulation limiting items on the patio to "patio furniture"; prohibiting clotheslines and the hanging of clothes and other items over the railings; planters and plants; and the storage of personal property, furnishings, appliances, junk, boxes, furniture, and effects in public view.

(22) Insurance. Nothing shall be done or kept in, on or about any Lot or in the Common Areas and Facilities which may result in the cancellation of the insurance on the Property or an increase in the rate of the insurance on the Property, over what the Board, but for such activity, would pay.

(23) Laws. Nothing shall be done or kept in, on or about any Lot or Common Areas, or any part thereof, which would be a violation of any statute, rule, ordinance, regulation, permit or other validly imposed requirement of any governmental body.

(24) Damage or Waste. No damage shall be caused to, or waste of, the Common Area and Facilities by any Owner or Resident, or their family members, guests or invitees; and each Owner and Resident shall indemnify and hold the Board and the other Owners in the Project harmless against all loss resulting from any such damage or waste caused by that Owner or Resident, or their family members, guests or invitees; provided, however, that any invitee of the Declarant shall not under any circumstances be deemed to be an invitee of any other Owner.

(25) Structural Alterations. Except in the case of an emergency repair, no structural alterations, plumbing, electrical or similar work within the Common Area and Facilities be done or permitted by any Owner without the prior, express written consent of the Board. Structural alterations within the footprint of the Building or Roof as shown on the Plat Map may be authorized by the unanimous consent of the Board (and governmental agency responsible for the issuing of all building permits, licenses, etc.), and the additional approval of the other Lot Owners shall not be required.

7. Lease Restrictions and Limitation of Lot Ownership. No owner shall be permitted to lease his Dwelling for short term, transient, hotel, vacation, seasonal or corporate purposes, which for purposes of this Section shall be deemed to be any rental with an initial term of less than six (6) months. Daily or weekly rentals, and rentals for less than thirty (30) days, are prohibited. No Owner

may lease individual rooms to separate persons or less than his entire Dwelling, including, by way of illustration but not limitation, to domestic help or a caretaker, without written notice to and the written consent of the Board. The Association or the Board may require that Owners use lease forms approved by the Board (or include specific terms in their leases) and may impose a review or administration fee on the lease or transfer of any Lot or Dwelling. Other than as stated in this Section, there is no restriction on the right of any Owner to lease or otherwise grant occupancy rights to a Dwelling.

8. Liability of Owners and Residents For Damages. Each Owner or Resident shall be liable to the Association, or other Owners or Residents for damages to person or property in the Community caused by his negligence.

9. Encroachments. If any portion of Common Area or a Lot encroaches or comes to encroach upon other Common Area or a Lot as a result of construction, reconstruction, repair, shifting, settling, or movement, an easement for such encroachment is created hereby and shall exist so long as such encroachment exists.

10. Governing Board. The Association shall be managed by a Board comprised of three (3) Lot Owners who shall be duly qualified and elected, except that during the Period of Declarant Control the Board need not be comprised of Lot Owners.

11. Status and General Authority of Board. During the Period of Declarant Control, the Declarant reserves the right to appoint the members of the Board. Any instrument executed by the Board that recites facts which, if true, would establish the Board's power and authority to accomplish through such instrument what is purported to be accomplished thereby, shall conclusively establish said power and authority in favor of any person who in good faith and for value relies upon said instrument. The Association shall, in connection with its exercise of any of the powers delineated below, constitute a legal entity capable of dealing in its name. The Board shall have, and is hereby granted, the following authority and powers:

(a) Access. The Board or Manager shall have the right to have access to each Lot, Building and the Common Areas and Facilities, including the main gas and sewer line or lines located within the Buildings: (1) from time to time during reasonable hours and after reasonable notice to the occupant of the Lot being entered, as may be necessary for the maintenance, repair, or replacement of any of the Common Areas and Facilities; and (2) for making emergency repairs necessary to prevent damage to the Common Areas and Facilities or to another Lot or Lots, provided that a reasonable effort is made to provide notice to the occupant of the Lot prior to entry. For purposes of this subsection the term "emergency" means an event or occurrence which threatens to cause substantial and imminent damage to person or property.

(b) Grant Easements. The authority, without the vote or consent of the Owners, Mortgagees, insurers or guarantors of any Mortgage, or of any other person, to grant or create, on such terms as it deems advisable, reasonable permits, licenses, and non-exclusive easements over, under, across, and through the Common Areas for utilities, roads, and other purposes reasonably necessary or useful for the proper maintenance, operation or regulation of the Project.

(c) Execute Documents. The authority to execute and record, on behalf of all Owners, any amendment to the Declaration or Plat Map which has been approved by the vote or consent necessary to authorize such amendment.

(d) Standing. The power to sue and be sued.

(e) Enter Into Contracts. The authority to enter into contracts which in any way concern the Project, so long as any vote or consent necessitated by the subject matter of the agreement has been obtained.

(f) Transfer Interests in Real Property. The power and authority to exchange, convey or transfer, in accordance with the Utah Revised Nonprofit Corporation Act, any interest in real property, so long as it has been approved by at least seventy-five percent (75%) of the Eligible Votes of the Association Members.

(g) To Add or Purchase Property. The power and authority to purchase, otherwise acquire, and accept title to, any interest in real property, so long as it has been approved by at least seventy-five percent (75%) of the Eligible Votes of the Association Members.

(h) Promulgate Rules. The authority to promulgate such reasonable administrative guidelines, rules, regulations, policies and procedures as may be necessary or desirable to aid the Board in carrying out any of its functions or to insure that the Project is maintained and used in a manner consistent with applicable law and this Declaration.

(i) Meetings. The authority to establish procedures for the conduct of its meetings, including but not limited to the power to decide what portion of the meeting shall be open or closed to Owners or Residents not on the Board, to retire to executive session, to regulate record keeping, and to allow, control or prohibit the electronic reproduction (video or audio) of Board meetings.

(j) Delegation of Authority. The power and authority to delegate its responsibilities over the management and control of the Common Areas and regulation of the Project to a professional Manager, reserving the right, power and authority, however, to control and oversee the administration thereof.

(k) Common Area Expense. Pay all Common Area water bills and other bills associated with the Common Area; Owners will be responsible for the water bills for the landscaping maintenance on their Lots and that portion of the Common Area in the front of their Home.

(l) All other Acts. The power and authority to perform any and all other acts, and to enter into any other transactions which may be reasonably necessary for the Board to perform its functions on behalf of the Owners.

12. Delegation of Management Responsibilities. The Board may delegate some of its management responsibilities to a professional management company, an experienced on-site manager, an independent contractor, through service contracts, or any combination thereof. The

Manager may be an employee or an independent contractor or an Owner. The termination provision of any such contract must not require a termination penalty or any advance notice of any more than sixty (60) days, and no such contract or agreement shall be for a term greater than one (1) year. The Board may also employ general laborers, grounds crew, maintenance, bookkeeping, administrative and clerical personnel as necessary to perform its management responsibilities.

13. Owners Meetings. The Association shall meet at least annually at a time and place set by the Board.

14. Lists of Lot Owners, Eligible Mortgagees, and Eligible Insurers or Guarantors. The Board shall maintain up-to-date records showing: (a) the name of each person who is an Owner, the address of such person, and the Lot which is owned by him; (b) the name and address of each Resident; (c) the name of each person or entity who is an Eligible Mortgagee, the address of such person or entity, and the Lot which is encumbered by the Mortgage held by such person or entity; and (d) the name of each person or entity who is an Eligible Insurer or Guarantor, the address of such person or entity, and the Lot which is encumbered by the Mortgage insured or guaranteed by such person or entity. In the event of any transfer of a fee or undivided fee interest in a Lot, either the transferor or transferee shall furnish the Board with written evidence verifying that the transfer has occurred, that the Deed or other instrument accomplishing the transfer is of record in the office of the County Recorder of Salt Lake County, Utah, and that the transferee has received a copy of the Declaration and Bylaws then in force. The Board may for all purposes act and rely on the information concerning Lot ownership in its records or, at its option, the records of the county recorder. The address of any Owner shall be deemed to be the address of the Lot owned by such person unless the Board is otherwise advised in writing.

15. Assumption of Risk. The Association may, but shall not be obligated to, sponsor certain activities or provide facilities designed to promote the health, safety, and welfare of Owners and Residents; there are Common Areas in the Project; in, near, or about the Project there are utility lines or utility substations; there are also improvements of a less significant nature. Notwithstanding anything contained herein or in any of the Project Documents, neither the Association, Board, Members of the Board, Officers of the Association, Manager, nor the Declarant shall be liable or legally responsible for, or in any manner a guarantor or insurer of the health, safety or welfare of any Owner or Resident of any Lot or his family members, tenants, guests, or invitees while at the Project, or for any property of any such Persons. Each such Person by accepting a deed or other document of conveyance to a Lot or coming onto the Property hereby assumes all risks associated with the use and enjoyment of the Project, including negligent acts. No provision of the Project Documents shall be interpreted as creating a duty of the Association, Board, Members of the Board, Officers of the Association, Manager, or the Declarant to protect or further the health, safety, or welfare of any Person(s), even if the funds of the Association are used for any such purpose. Each Owner by virtue of his acceptance of title to his Lot and each other Person having an interest in or lien upon, or making any use of, any portion of the Project (by virtue of accepting such interest or lien or making such use) shall be bound by this Section and shall be deemed to have waived any and all rights, claims, demands, and causes of action against the Association, Board, Members of the Board, Officers of the Association, Manager, and the Declarant, and their employees, agents, contractors, subcontractors, successors, and assigns from or connected with the foregoing items.

16. Capital Improvements. All expenses for Capital Improvements shall be governed by and subject to the following conditions, limitations and restrictions:

(a) Board Discretion/Expenditure Limit. Any Capital Improvement to the Project which costs ten percent (10%) or less of the Total Annual Budget, and does not alter the nature of the Project, may be authorized by the Board alone (the "Capital Improvement Ceiling").

(b) Expenditure Limit With Consent of Owners. Any Capital Improvement, the cost of which will exceed the Capital Improvement Ceiling, must, prior to the commencement of construction, be authorized by at least a majority of the Eligible Votes of the Members.

(c) Improvements Changing the Nature of the Project. Any Capital Improvement which would materially alter the nature of the Project must, regardless of its cost and prior to being constructed or accomplished, be authorized by at least sixty-seven (67%) percent of the Eligible Votes of the Members.

17. Recycling Programs. The Board may establish a recycling program and recycling center within the Project, and in such event all Residents of Lots shall support such program by recycling, to the extent reasonably practical, all materials which the Association's recycling program or center is designed to accommodate. The Association may, but shall have no obligation to, purchase recyclable materials in order to encourage participation, and any income received by the Association as a result of such recycling efforts shall be used to reduce Common Expenses.

18. Provision of Services. The Association may provide services and facilities for the Members of the Association and their guests, lessees and invitees. The Association shall be authorized to enter into contracts or other similar agreements with other entities, including Declarant, to provide such services and facilities. The costs of services and facilities provided by the Association may be funded by the Association as a Common Expense. In addition, the Board shall be authorized to charge additional use and consumption fees for services and facilities. By way of example, some services and facilities which may be provided include snow removal, landscape maintenance, pest control service, cable television service, security, caretaker, fire protection, utilities, and similar services and facilities. The Board shall be permitted to modify or cancel existing services or facilities, if any, or to provide additional services and facilities. Nothing contained herein shall be relied upon as a representation as to what services and facilities, if any, will be provided by the Association. Project water charges and storm water fees shall be paid as a Common Expense.

19. View Impairment. Neither the Declarant nor the Association guarantees or represents that any view over and across any property, including any Lot, from adjacent Building will be preserved without impairment. Neither the Declarant nor the Association shall have the obligation to prune or thin trees or other landscaping except as set forth herein. Any express or implied easements for view purposes or for the passage of light and air are hereby expressly disclaimed.

20. Architectural Review Committee. During the Period of Declarant Control, the Declarant shall act as the Architectural Review Committee and reserves to itself and is hereby granted the sole right and exclusive authority to make all architectural related decisions in this Project in order to insure the harmony of design and quality of construction and materials.

Following the Period of Declarant Control the Board shall act as the Architectural Control Committee (“ARC”). All architectural designs, plans, fencing, specifications and construction materials must be reviewed and approved by the Architectural Review Committee in writing, and must be consistent with, in congruity with and not in conflict with the Development Agreement with the City, if any. In the event of any conflict, inconsistency or incongruity, the provisions of the Development Agreement shall in all respects govern and control. Architectural designs, plans and specifications showing the nature, kind, shape, color, size, materials, and location of all proposed structures and improvements shall be submitted to the ARC for review and approval. Information concerning irrigation systems, drainage, lighting, landscaping and other features of proposed construction should be submitted if applicable. Designs submitted for approval shall be limited to those prepared by architects or by qualified residential designers of outstanding ability whose previous work may be reviewed as a part of the approval process.

(a) Review Considerations Generally. In reviewing each submission, the ARC may consider the proposed design, harmony of external design with existing structures and the common scheme, the location in relation to surrounding structures, topography, finish grade and elevation, among other things.

(b) Aesthetics. Decisions of the ARC may be based on purely aesthetic considerations. Each Owner, by virtue of his acceptance of a deed to a Lot or other document of conveyance, acknowledges that opinions on aesthetic matters are subjective and may vary as ARC members change over time.

(c) Minimum Requirements For A Home. No Home shall be constructed or altered unless it meets the following minimum requirements:

- 1) All Homes shall be single-family dwellings with a two-car garage.
- 2) The height of any Home shall not exceed three stories above ground.
- 3) No slab on grade Homes are permitted.
- 4) Each Home shall be built with a basement.
- 5) Home exteriors must comply with the City approvals for construction materials. No aluminum or vinyl is permitted.
- 6) Any detached accessory building must conform in design and materials with the primary residential Home.
- 7) No tin sheds are allowed.
- 8) Any and all plans and specifications for additions to a Home or for an Accessory Building must be submitted, reviewed and approved in writing in advance by the ARC.
- 9) All Lots shall be fully landscaped in accordance with subsection (f) and

Section 9 set forth below.

10) No fence or similar structure shall be placed in any front yard. No fence or similar structure shall be placed in any side or rear yard in excess of six (6) feet. Vinyl fencing is allowed without additional approval required. Chain link fencing is strictly prohibited. If there is a dispute as to what constitutes the front, side or rear yards, or whether a variance has been granted, the decision of the ARC shall be final, binding and conclusive.

11) Conditional uses may be allowed for a swimming pool, cabana, equipment building, outdoor recreational activities, such as an athletic court, tennis courts, basketball court, soccer pitch, batting cage, and so forth.

(d) Preliminary Architectural Drawings, Plans and Specifications. The ARC may require, as a minimum, the following additional items:

1) Plot plan to scale of entire site with buildings located and elevation of floors shown above or below a designated point on the street.

2) Floor plans of each floor level to scale.

3) Elevations to scale of all sides of the Home.

4) One major section through Home.

5) A perspective (optional).

6) Specifications of all outside materials to be used on the exterior of the Home.

(e) Final Plans and Specifications and Working Drawings. The ARC may also require, as a minimum, the following:

1) Plot plans to scale showing the entire site, building, garages, walks, drives, fence, carriage lights, retaining walls, with elevations of the existing and finished grade and contours including those at the outside corners of the buildings and at adjacent property lines and street fronts, and elevations of floors from a designated point on the street.

2) Detailed floor plans.

3) Detailed elevations, indicating all materials and showing existing and finished grades.

4) Detailed sections, cross and longitudinal.

5) Details of cornices, porches, windows, doors, garages, garden walls, steps, patios, fences, carriage lights, etc. Specifications shall give complete description of materials to be used with supplements, addenda or riders noting the colors of all materials to be used on the exterior

of the Home.

(f) Landscaping. All Lot landscaping, grading, and drainage is subject to the following covenants, conditions, restrictions and easements, and shall be completed strictly in accordance with any Landscaping Guidelines that might be adopted by the Board and so as to comply with and not impair all applicable ordinances and flood control requirements. All rear Lot landscaping must be completed within one (1) year of the date of closing. The Owner is responsible for the initial planting of trees. Trees, lawns, shrubs, or other plantings placed on a Lot shall be properly nurtured, maintained and replaced by the Owner. Any weeds or diseased or dead lawn, trees, ground cover, bushes or shrubs shall be removed and replaced. The landscaping of a Lot may not adversely affect the value or use of any other property or detract from the original design scheme and appearance of the Project.

(g) Accessory Buildings. Accessory Buildings are considered "conditional uses," which require the approval of the City and the ARC. Each application to construct or install an Accessory Building will be evaluated separately by the ARC and approved or disapproved on a case-by-case basis, subject to the following guidelines:

1) Any detached Accessory Building must conform in design and construction materials with the primary residential Home.

2) The maximum height of an Accessory Building shall be eight (8) feet, (although the ARC may grant an exception if, in its sole opinion, such is in the best interest of the Project);

3) If there is a dispute of any kind whatsoever, such as whether a structure is an Accessory Building, the decision of the Declarant, or upon the termination of the Period of Declarant's Control, the Architectural Review Committee, shall be final, conclusive and binding.

(h) Approval. In the event that the ARC fails to disapprove any application within thirty (30) days after submission of all information and materials reasonably requested, the application shall be considered approved, subject to the minimum requirements as set forth herein.

(j) No Waiver of Future Approvals. The approval of the ARC of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of such Committee, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matters whatever subsequently or additionally submitted for approval or consent.

(k) Variance. The ARC may authorize variances from compliance with any of the architectural guidelines when circumstances such as topography, natural obstructions, hardship, aesthetic, or environmental considerations require, but only in accordance with its duly adopted rules and regulations, and prior written consent of the City Board of Adjustment. Such variances may only be granted, however, when unique circumstances dictate and no variance shall (a) be effective

unless in writing, (b) be contrary to the restrictions set forth in the body of this Declaration, or (c) estop the ARC from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the issuance of any permit or the terms of financing shall not be considered a hardship warranting a variance.

(l) Limitation of Liability. Neither the Declarant nor the ARC, or any of their employees, agents, representatives or consultants shall be responsible in any way for any defects in any plans or specifications submitted, revised or approved in accordance with the provisions of this Declaration, nor for any structural or other defects in any work done according to such plans and specifications. By accepting a deed or other document of conveyance to a Lot, each Owner agrees to and shall defend, indemnify, save and hold the Declarant and the ARC, and their employees, agents, representatives or consultants, harmless from any and all loss, damage or liability they may suffer, including defense costs and attorney fees, as a result of any claims, demands, actions, costs, expenses, awards or judgments arising out of their review or approval of architectural designs, plans and specifications.

(m) Enforcement of Architectural Guidelines. Any construction, alteration, or other work done in violation of this Declaration shall be considered to be nonconforming. Upon written request from the ARC an Owner shall at his own cost and expense remove such non-conforming construction, alteration, or other work and shall restore the land to substantially the same condition as existed prior to the non-conforming construction, alteration, or other work. Should an Owner fail to remove and restore as required hereunder, the ARC shall have the right to enter the property, remove the violation, and restore the property to substantially the same condition as existed prior to the construction, alteration or other work, without being deemed to be a trespasser.

(n) Contractors. Any contractor, subcontractor, agent, employee, or other invitee of an Owner who fails to comply with the terms and provisions of this Declaration may be excluded by the ARC from the Project, subject to the notice and the opportunity to be heard. In the event of sanctions after notice and hearing, neither the ARC or the Declarant, nor their employees, agents, representatives or consultants shall be held liable to any person for exercising the rights granted by this Section.

(o) Garbett Homes Catalogue. Any and every home design, plan or specification contained within the Garbett Homes Catalogue shall be considered approved and qualify for construction, and no other consent shall be required, provided the home elevations meet and the home otherwise satisfies all of the architectural control requirements of the City ordinances. Any and all deviations from the Garbett Homes Catalogue, including by way of illustration but not limitation, design, construction materials and coloration, must be expressly approved in writing by the ARC: The approval of the Garbett Homes Sales staff and/or construction personnel is insufficient.

(p) Architectural Controls of Exterior Changes. No exterior changes whatsoever shall be commenced, erected, maintained, made, or done without the prior express written approval of the Board of Directors or ARC established by the Board of Directors for that purpose. By way of illustration, but not of limitation, the following are considered exterior changes: painting, landscaping, excavation, patio covers, screens, doors, evaporative coolers, fireplaces, skylights,

storage buildings, geothermal products, wind turbines, shade screens, awnings, window coating or tinting, decorative alterations, and other work that in any way alters the exterior appearance of the Property. The Board of Directors or ARC if established by the Board of Directors for that purpose, may designate the design, style, model and manufacturer of any exterior improvement or alteration that is acceptable to the Board of Directors. Such designations shall be for the purpose of achieving uniformity of appearance and preservation and enhancement of property values.

21. The Maintenance Responsibility of the Association. The Association shall maintain, replace, and keep in a state of good repair the following items (collectively “Area of Common Responsibility”):

- (a) all of the Little Cottonwood Tanner Ditch pipe and box structures located on lots 15, 1, 2, 3, under Wild Spice Cove, Parcel A, and Parcel B of the Project (see Exhibit “C”);
- (b) all Common Area;
- (c) all landscaping, trees, bushes, shrubs, planting beds, flower beds, grass and other plant life in the Common Area Open Space;
- (d) all common storm drainage and detention facilities;
- (e) all walls and fences which serve as common walls or fences for the Project located so as to be part of the Open Space;
- (f) all landscaping and irrigation systems in the Open Space;
- (g) all common signage;
- (h) the trail and the under-ground storm drain lines located within the storm drain easement on lots 10 and 11 that is located between Spring Creek and Wild Spice Cove.

22. The Maintenance Responsibility of the Owners. Each Owner shall maintain, repair and replace his Lot, Home, Limited Common Area adjacent and/or appurtenant to his Lot, if any, and all other landscape and physical improvements to his Lot not part of the Common Area of Responsibility (the “Area of Personal Responsibility”). Each Owner or Resident shall keep his Lot, patio, balcony, deck, driveway, parking and storage spaces broom clean and free of debris. The owner of lot 15 is responsible to inspect the trash track located on their lot on a daily basis while water in the irrigation ditch is running. If any trash or debris is identified, it shall be removed by the owner.

23. Garbage Removal and Snow Removal. Garbage pick-up and removal shall be arranged by each Owner through the City. Each Owner or Resident is solely responsible for snow and ice removal from their Lot and the sidewalks that boarder their lot.

24. Standard of Care – Generally. The Property shall be maintained in a usable, clean,

functional, safe, healthy, sanitary, attractive, and good condition, consistent with the Community Wide Standard. If a dispute arises between a Lot Owner or a Resident as to the condition of a Lot, the decision of the Board shall be final and conclusive.

25. Standard of Care – Landscaping. All landscaping, if any, permitted by the Board in Common Areas shall be maintained and cared for in a manner consistent with the Community Wide Standard and the quality of design and construction originally established by Declarant. Specific guidelines and restrictions on landscaping may be established by the Board from time to time. All landscaping shall be maintained in a neat and orderly condition. Any weeds or diseased or dead lawn, trees, ground cover or shrubbery shall be removed and replaced. All lawn areas shall be neatly mowed and trees, shrubs and bushes shall be properly pruned and trimmed. In short, all landscaping shall be tasteful, so as not to affect adversely the value or use of any other Lot, or to detract from the uniform design and appearance of the Project.

26. Neglect. If the Board determines that any Owner has failed or refused to discharge properly his obligation with regard to the maintenance, repair, or replacement of items for which he is responsible hereunder; or that the need for maintenance, repair, or replacement of the Common Area is caused through the willful or negligent act of any Owner, his family, guests, lessees, or invitees, and it is not covered or paid by insurance, in whole or in part, then the Association may, but is not obligated to, provide such maintenance, repair or replacement at the Owner's sole cost and expense, subject to the following:

(a) Notice of Intent to Repair. Except in an emergency situation, the Association shall give the Owner written notice of the Association's intent to provide necessary maintenance, repair, or replacement at Owner's cost and expense. The notice shall set forth with reasonable particularity the maintenance, repair, or replacement deemed necessary by the Board. The Owner shall have ten (10) days after receipt of notice within which to complete the maintenance, replacement or repair, or if the maintenance, replacement or repair is not capable of completion within such time period, to commence the maintenance, replacement or repair within ten (10) days.

(b) Emergency Situation. If the Board determines that an emergency exists, then notice and the opportunity to cure the default is not necessary.

(c) Optional Repairs. The Association may, but is not obligated to, provide any such maintenance, repair, or replacement in the manner described above.

(d) Costs and Expenses. Costs incurred by the Association in the performance of an item included in the Area of Personal Responsibility shall be added to and become a part of the Assessment to which such Owner and Lot is subject, and shall be secured by a lien against his Lot regardless of whether a notice of lien is filed

27. Changes to Areas of Personal or Common Responsibility. The Board may, in its sole discretion, add items to or subtract items from the Areas of Personal or Common Responsibility upon at least thirty (30) days prior written notice to the Lot Owners.

28. Alterations to the Common Area. Anything to the contrary notwithstanding and until

the termination of the Period of Declarant's Control, the Declarant may make changes to the Common Area without the consent of either the Association or the Board. No Owner or Resident may at any time modify the drainage patterns or systems, landscaping, or make any structural alterations, modifications, changes or improvements to the Building or Common Area or Facilities, including but not limited to the construction or installation of any additions, and the extension or enclosure of any existing structures (e.g., fencing, decks, patios, walkways or sheds, etc.) not shown on the approved plans and specifications, without the prior written consent of the Board.

29. Common Expenses. Each Owner shall pay his Assessments subject to and in accordance with the procedures set forth below.

(a) Declarant. During the Period of Declarant Control, the following shall apply: (1) The Declarant, builder, contractor, investor, or other person or entity who purchases a Lot for the purpose of constructing improvements thereon for resale to an Owner, shall pay no assessment unless a Dwelling Unit constructed on a Lot is occupied for a residence on a permanent or part-time basis, provided that Declarant or its assigns shall have the obligation to subsidize the Association until control of the Association passes to the Owners; (2) Subsidization shall be defined as the payment of the reasonable cash needs of the Association for ordinary and necessary maintenance expenses and a reasonable contribution to reserves; (3) In no event, however, shall the subsidy exceed the monthly or annual assessments; (4) This obligation may be satisfied in the form of a cash subsidy or by "in kind" contributions of services or materials, or a combination of these; and (5) The Declarant shall not be subject to Special or Individual Assessments.

(b) Purpose of Common Expenses. The Assessments provided for herein shall be used for the general purpose of operating the Project, promoting the recreation, health, safety, welfare, common benefit and enjoyment of the Owners and Residents, including the maintenance of any real and personal property owned by the Association, and regulating the Community, all as may be more specifically authorized from time to time by the Board. In addition, the Assessments provided for herein shall be used for the general purpose of maintaining the Private Lane.

(c) Budget. At least thirty (30) days prior to the Annual Homeowners Meeting, the Board shall prepare and deliver to the Owners a proposed Budget:

(1) Itemization. The Budget shall set forth an itemization of the anticipated Common Expenses for the twelve (12) month calendar year, commencing with the following January 1.

(2) Basis. The Budget shall be based upon advance estimates of cash requirements by the Board to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Common Areas, and regulation of the Association, which estimate shall include but is not limited to expenses of management, grounds maintenance, taxes and special assessments, premiums for all insurance which the Board is required or permitted to maintain, common lighting and heating, common water charges, trash collection, storm drain fees, common sewer charges, sewer maintenance costs, carpeting, painting, repairs and maintenance of the Common Areas, and replacement of those elements of the Common Areas, that must be replaced on a periodic basis, wages for Board employees, legal and accounting fees, any

deficit remaining from a previous period; the creation of a reasonable contingency reserve, surplus or sinking fund, Capital Improvement reserve, and other expenses and liabilities which may be incurred by the Association for the benefit of the Owners under and by reason of this Declaration. Until the Project is completed, and all Phases are added, this estimate may need to be adjusted periodically as each new Phase is completed.

(3) The Owners may call a special meeting within forty-five (45) days of the meeting providing the proposed Budget to vote to disapprove the Budget, although to set it aside and to reject a proposed Budget requires the affirmative written consent of at least a majority of total ownership. If the new budget is disapproved, then the prior year's budget continues.

(d) Apportionment. The common profits, losses and voting rights of the Project shall be distributed among, and the common expenses shall be charged to, the Lot Owners equally and uniformly.

(e) Approval of Budget and Assessments. The proposed Budget and the Assessments shall become effective unless disapproved at the Annual Meeting by a vote of at least a majority of the Eligible Votes of the Members. Notwithstanding the foregoing, however, if the membership disapproves the proposed budget and Assessments or the Board fails for any reason to establish the Budget and Assessments for the succeeding year, then and until such time as a new budget and new Assessment schedule shall have been established, the Budget and the Assessments in affect for the then current year shall continue for the succeeding year.

(f) Payment of Assessments. The Board has the sole authority and discretion to determine how and when the Assessments are paid.

(g) Personal Obligation of Owner. Owners are liable to pay all Assessments assessed and Additional Charges; provided, however, no first mortgagee or beneficiary under a first deed of trust (but not the Seller under a uniform real estate contract, land sales contract, or other similar instrument), who obtains title to a Lot pursuant to the remedies provided in the mortgage or trust deed shall be liable for unpaid Assessments which accrued prior to the acquisition of title. For purposes of this Section, the term "Owner" shall mean and refer jointly and severally to: (1) the Owner of both the legal and equitable interest in any Lot; (2) the owner of record in the offices of the County Recorder of Salt Lake County, Utah; and (3) both the Buyer and Seller under any executory sales contract or other similar instrument.

(h) Equitable Changes. If the aggregate of all monthly payments on all of the Lots is too large or too small as a result of unanticipated income or expenses, the Board may from time to time effect an equitable change in the amount of said payments, but, without the prior approval of a majority of the Eligible Votes of the Members of the Association, not greater than fifteen (15%) percent of the Assessment in any calendar year. Owners shall be given at least thirty (30) days written notice of any changes.

(i) Re-assessment. If a Lot fails to pay its Assessment, the Board of Directors may re-assess that sum among all of the Owners on a proportionate basis.

(j) Reserve Account(s). The Association shall prepare or have prepared a Reserve Analysis or Study as required by statute. The Board shall establish and maintain a Reserve Account or Accounts in accordance with Utah law. The Reserve Account or accounts shall be funded out of regular Assessments, Special Assessments (if necessary) and the contributions from the Working Capital Fund. The Board shall dedicate a portion of the monthly Assessment for the Reserve Account or accounts. The Board shall update its Reserve Study as required by statute. The Board shall present the Reserve Study (and updates) and the status of the Reserve Accounts at the Annual Meeting of Owners each year, and make copies available to all Owners upon request.

(k) Statement of Assessments Due. Upon written request, the Board shall furnish to any Owner a statement of Assessments due, if any, on his Lot. Failure to provide the certificate within ten (10) days after a written request is received by the Secretary shall be deemed conclusive evidence that all Assessments are paid current. The Association may require the advance payment of a processing charge not to exceed \$35.00 for the issuance of such certificate.

(l) Providing Payoff Information.

(1) The Association may charge a fee for providing Association payoff information needed in connection with the closing of a Unit Owner's financing, refinancing, or sale of the Owner's Unit (the "Payoff Fee").

(2) The Association may not require that the Payoff Fee be paid before closing and the Payoff Fee may not exceed the statutory limit.

(3) If the Association fails to provide the payoff information requested within five (5) business days after the closing agent requests the information may not enforce a lien against that Unit for money due to the association at closing; provided, however, a request shall not be considered effective unless the request is conveyed in writing to the designated contact person for the Association on record with the State of Utah and contains: (a) the name, telephone number, and address of the person making the request; and (b) the facsimile number or email address for delivery of the payoff information; and (c) is accompanied by a written consent for the release of the payoff information: (i) identifying the person requesting the information as a person to whom the payoff information may be released; and (ii) signed and dated by an Owner of the Unit for which the payoff information is requested.

(n) Superiority of Assessments. All Assessments and liens created to secure the obligation to pay Assessments are superior to any homestead exemptions to which an Owner may be entitled which, insofar as it adversely affects the Association's lien securing unpaid Assessments, each Owner, by accepting a deed or other document of conveyance to a Lot, hereby subordinates and waives.

30. Annual Assessments. Annual Assessments shall be used to satisfy Common Expenses of the Association, as provided herein and in the Bylaws. The Annual Assessment shall be payable in twelve (12) equal monthly installments due on the first day of each month. The Annual Assessment shall be based upon the Budget prepared by the Board. The Board shall authorize and levy the amount of the Annual Assessment upon each Lot, as provided herein, by a majority vote of

the Board.

31. Special Assessments. In addition to the other Assessments authorized herein, the Association may levy special assessments in any year, subject to the following:

(a) Board Based Assessment. So long as the special assessment does not exceed the sum of Five Hundred and 00/100ths Dollars (\$500.00) (the "Special Assessment Limit") per Lot in any one fiscal year, the Board may impose the special assessment without any additional approval.

(b) Association Approval. Any special assessment which would exceed the Special Assessment Limit shall be effective only if approved by a majority of the Eligible Votes of the Members of the Association. The Board in its discretion may allow any special assessment to be paid in installments.

32. Individual Assessments. Individual Assessments shall be levied by the Board against a Lot and its Owner to reimburse the Association for: (a) administrative costs and expenses incurred by the Board in enforcing the Project Documents; (b) costs associated with the maintenance, repair or replacement of Common Area for which the Lot Owner is responsible; (c) any other charge, fee, fine, dues, expense, or cost designated as an Individual Assessment in the Project Documents or by the Board; and (d) attorneys' fees, interest, and other charges relating thereto as provided in this Declaration.

33. Collection of Assessments. The Owners must pay their Assessments in a timely manner. Payments are due in advance on the first of the month. Payments are late if received after the 10th day of the month in which they were due.

(a) Delinquent Accounts. Any Assessment not paid when due shall be deemed delinquent.

(b) Late Fees and Default Interest. A late fee in an amount set by the Board shall be assessed on all tardy payments. Simple interest at a rate set by the Board shall accrue on all outstanding balances.

(c) Lien. If any Lot Owner fails or refuses to make any payment of any Assessment or his portion of the Common Expenses, when due, that amount shall constitute a lien on the interest of the Owner in the Property, and upon the recording of notice of lien by the Manager, Board or their designee it is a lien upon the Owner's interest in the Property prior to all other liens and encumbrances, recorded or unrecorded, except: (1) tax and special assessment liens on the Lot in favor of any assessing unit or special improvement district; and (2) encumbrances on the interest of the Owner recorded prior to the date such notice is recorded which by law would be a lien prior to subsequently recorded encumbrances.

(d) Foreclosure of Lien and/or Collection Action. If the Assessments remain unpaid, the Association may, as determined by the Board, institute suit to collect the amounts due and/or to foreclose the lien.

(e) Personal Obligation. Each Owner, by acceptance of a deed or as a party to any other type of conveyance, vests in the Association or its agents the right and power to bring all actions against him personally for the collection of the charges as a debt or to foreclose the lien in the same manner as mechanics liens, mortgages, trust deeds or encumbrances may be foreclosed.

(f) No Waiver. No Owner may waive or otherwise exempt himself or herself from liability for the Assessments provided for herein, including but not limited to the non-use of Common Areas or the abandonment of his Lot.

(g) Duty to Pay Independent. No reduction or abatement of Assessments shall be claimed or allowed by reason of any alleged failure of the Association or Board to take some action or perform some function required to be taken or performed by the Association or Board under this Declaration or the Bylaws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority, the obligation to pay Assessments being a separate and independent covenant on the part of each Owner.

(h) Foreclosure of Lien as Mortgage or Trust Deed. The lien for nonpayment of Assessments may be enforced by sale or foreclosure of the Owner's interest therein by the Board. The sale or foreclosure shall be conducted in the same manner as foreclosures in deeds of trust or mortgages or in any other manner permitted by law. In any foreclosure or sale, the Owner shall pay the costs and expenses of such proceedings, including but not limited to the cost of a foreclosure report, reasonable attorney's fees, and a reasonable rental for the Lot during the pendency of the foreclosure action. The Association in the foreclosure action may require the appointment of a receiver to collect the rental without regard to the value of the mortgage security. The Board may bid for the Lot at foreclosure or other sale and hold, lease, mortgage, or convey the same.

(i) Trust Deed for Assessments. By acceptance of a deed for a Lot, each Owner as Trustor conveys and warrants to Trustee in trust for the Association, as Beneficiary, with power of sale, the Owner's Lot and appurtenant Common Area, and all improvements thereon for the purpose of securing payment of all Assessments (including basis of collection) provided for in this Declaration. For purposes of this Section and Utah Code Ann. §§57-1-19, *et seq.*, as amended from time to time, the Trustee shall mean the attorney for the Association, and the Association may provide notice and disclosure of the Trustee by recording an "Appointment of Trustee" on the records of the local County Recorder. Each Owner hereby also grants to the Association and Trustee all powers and rights of non-judicial trust deed foreclosure provided for in Utah Code Ann. §§57-1-19, *et seq.*

(1) A Lot may be auctioned publically and sold through either a non-judicial foreclosure (like a bank foreclosing a deed of trust) or through judicial foreclosure. A court order of sale is required for a judicial foreclosure which includes a 6-month redemption period.

(2) For purposes of a non-judicial foreclosure, when a person accepts a deed or other document of conveyance to a Lot, it is considered the same, like a bank and a deed of

trust, as conveying the Lot in trust to as trustee² appointed by the Association to secure payment of all assessments and costs of collection.

(3) The Association must appoint a qualified trustee, by signing and recording in the office of the county recorder a written substitution of trustee form in order to foreclose upon a Lot non-judicially.³

(4) At least thirty (30) days prior to starting its non-judicial foreclosure, the Association must send written notice to the Owner informing him or her of the Association's intent to foreclose non-judicially and the Owner's right to demand judicial foreclosure. The notice must be in the form provided by the statute and sent by certified mail.⁴ The Owner may object to the non-judicial foreclosure by sending a written demand for judicial foreclosure. The Owner's objection and written demand must be sent within fifteen (15) days. The Owner's objection and written demand must also be sent by certified mail.

(5) The Association may not use a non-judicial foreclosure to enforce a lien if the Owner mails the Association a written demand for judicial foreclosure: (a) by U.S. mail, certified with a return receipt requested; (b) to the address stated in the Association's Notice of Non-judicial Foreclosure and Right to Demand Judicial Foreclosure under Subsection (4); and (c) within fifteen (15) days after the date of the postmark on the envelope of the Association's Notice of Non-judicial Foreclosure and Right to Demand Judicial Foreclosure.

(6) The Association must follow the provisions of the law applicable to the non-judicial foreclosure of deeds of trust.

(j) Discontinuance of Common Utility Service and Suspension of Common Facility Use. If an Owner fails or refuses to pay an Assessment when due, the Board may, after

² Bank, Title Company or Utah attorney

³ No redemption period. A notice of default is prepared and recorded. The Owner has 90 days to cure the default or the Unit may be sold by the Trustee. The notice of sale usually takes 30+ days. A non-judicial foreclosure takes approximately 120 days.

⁴ NOTICE OF NONJUDICIAL FORECLOSURE AND RIGHT TO DEMAND JUDICIAL FORECLOSURE

The (insert the name of the association of unit owners), the association for the project in which your unit is located, intends to foreclose upon your unit and allocated interest in the common areas and facilities using a procedure that will not require it to file a lawsuit or involve a court. This procedure is being followed in order to enforce the association's lien against your unit and to collect the amount of an unpaid assessment against your unit, together with any applicable late fees and the costs, including attorney fees, associated with the foreclosure proceeding. Alternatively, you have the right to demand that a foreclosure of your property be conducted in a lawsuit with the oversight of a judge. If you make this demand and the association prevails in the lawsuit, the costs and attorney fees associated with the lawsuit will likely be significantly higher than if a lawsuit were not required, and you may be responsible for paying those costs and attorney fees. If you want to make this demand, you must state in writing that "I demand a judicial foreclosure proceeding upon my unit", or words substantially to that effect. You must send this written demand by first class and certified U.S. mail, return receipt requested, within fifteen (15) days after the date of the postmark on the envelope in which this notice was mailed to you. The address to which you must mail your demand is (insert the address of the association of unit owners for receipt of a demand).

giving notice and an opportunity to be heard as provided for below, terminate an Owner's right;

- (1) to receive utility services paid as a Common Expense; and

Before terminating utility services or right of access and use of Common Area, the Manager or Board shall give written notice to the Owner in the manner provided in the Bylaws. The notice shall inform the Owner (i) that utility service or right of access and use of recreational facilities will be terminated if payment of the Assessment is not received within thirty (30) days; (ii) of the amount of the Assessment due, including any interest or late payment fee; and (iii) of the right to request a hearing as provided for in this Section. An Owner who is given notice may request an informal hearing to dispute the Assessment by submitting a written request to the Board within fourteen (14) days after the date on which the Owner receives the notice. The hearing shall be conducted by the Board in accordance with the standards provided in the Bylaws. If a hearing is requested, utility services or right of access and use of Common Area may not be terminated until after the hearing has been conducted and a final decision has been entered. Upon payment of the Assessment due, including any interest or late payment fee, the Manager or Board shall immediately take action to reinstate the terminated utility services and right of access and use of recreational facilities.

34. Working Capital Fund. A Working Capital Fund shall be established by the Declarant. Each Lot's initial share of the Working Capital Fund shall be collected and transferred to the Board at the time of closing of the sale of each such Lot by Declarant and shall be equal to \$300.00 (the "Working Capital Payment"). Notwithstanding the foregoing, the contribution to the Working Capital Fund for each unsold Lot shall be paid to the Board at the time a certificate of permanent occupancy is issued and such Lot is first occupied for residential purposes. With respect to each Lot for which the Declarant pays the contribution to the Working Capital Fund, the Declarant may, at its election, be reimbursed for such contribution by the buyer of such Lot at the time of closing. Thereafter, each time a Lot is sold and conveyed, the Board shall collect a Working Capital Payment at the time of the closing of the transaction. The purpose of the Working Capital Fund is to function as an impact or transfer fee, to insure that the Board will have cash available to satisfy unforeseen expenses or to acquire additional equipment or services necessary for the operation, control and regulation of the Project. Sums paid into the Working Capital Fund are not to be considered as advance payments or regular monthly payments of Common Expenses.

35. Reinvestment Fee. The Association may change a reinvestment fee in accordance with statute.

36. Future Rent Payments. If the Owner of a Lot who is leasing the Lot fails to pay an Assessment for more than sixty (60) days after the Assessment is due, the Board, upon compliance with this Section, may demand that the tenant pay to the Association all future rent payments due to the Owner, beginning with the next monthly or other periodic payment, until the amount due to the Association is paid. The Manager or Board shall give the Owner written notice of its intent to demand full payment from the tenant under this Section. The notice shall (i) provide notice to the tenant that full payment of the remaining rent payments will begin with the next monthly or other periodic payment unless the Assessment is received within the time period provided in the Declaration, Bylaws, or Association Rules and Regulations; (ii) state the amount of the Assessment due, including any interest or late payment fee; (iii) state that any costs of collection, not to exceed

the statutory limit, and other Assessments that become due may be added to the total amount due; and (iv) provide the requirements and rights described in this Section. If the Owner fails to pay the Assessment due by the date specified in the notice, the Manager or Board may deliver written notice to the tenant that demands future payments due to the Owner be paid to the Association pursuant to this Section. The Manager or Board shall mail a copy of the notice to the Owner. The notice provided to the tenant under this Section shall state: (i) that due to the Owner's failure to pay the Assessment within the time period allowed, the Owner has been notified of the intent of the Board to collect all rent payments due to the Owner; (ii) that until notification by the Association that the Assessment due, including any interest, collection cost, or late payment fee, has been paid, the tenant shall pay to the Association all future rent payments due to the Owner; and (iii) that payment by the tenant to the Association in compliance with this Section will not constitute a default under the terms of the lease agreement. If a tenant makes payments in compliance with this Section, the Owner may not initiate an action against the tenant. All funds paid to the Association pursuant to this Section shall be (i) deposited in a separate account; and (ii) disbursed to the Association until the Assessment due, together with any cost of administration which may not exceed the statutory limit if paid in full. Any remaining balance shall be paid to the Owner within five (5) business days after payment in full to the Association. Within five (5) business days after payment in full of the Assessment, including any interest or late payment fee, the Manager or Board shall mail a copy of such notification to the Owner.

37. Liability of Board. The Association shall indemnify every officer and member of the Board against any and all expenses, including but not limited to attorney's fees reasonably incurred by or imposed upon any officer or member of the Board in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board) to which he may be a party by reason of being or having been an officer or member of the Board. The officers and members of the Board shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct or bad faith. The officers and members of the Board shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or members of the Board may also be Members of the Association), and the Association shall indemnify and forever hold each such officer and member of the Board free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall be exclusive of any other rights to which any officer or member of the Board, or former officer or member of the Board, may be entitled. The Association shall, as a common expense, maintain adequate general liability and officer's and director's insurance coverage to fund this obligation, if such insurance is reasonably available.

38. Insurance. The Manager, Board or Association shall obtain insurance against loss or damage by fire and other hazards for the full cost of replacement for: (a) all Common Areas and Facilities; and (b) all Buildings that contain more than one Dwelling Unit, including any improvement which is a permanent part of a Building. The insurance coverage shall be written on the property in the name of the Manager, Board or Association, as trustee for each of the Unit Owners in the percentages established in this Declaration. The insurance premiums shall be a Common Expense. This Section is without prejudice to the right of each Unit Owner to insure his own Unit for his benefit. The Manager, Board or Association shall satisfy at least the following minimum requirements:

(a) Property Insurance. Blanket property insurance using the standard “Special” or “All Risk” building form. Loss adjustment shall be based upon replacement cost. For purposes of this sub-section, the term “casualty insurance” shall not mean or refer to “earthquake” or other special risks not included in the standard “planned unit development” casualty policy. This additional coverage may be added by the Board as it deems necessary in its best judgment and in its sole discretion.

(b) Flood Insurance. If any part of the Project’s improvements are in a Special Flood Hazard Area – which is designated as A, AE, AH, AO, A1-30, A-99, V, VE, or V1-30 on a Flood Insurance Rate Map (FIRM) – the Association shall obtain a “master” or “blanket” policy of flood insurance and provide for the premiums to be paid as a common expense. The policy should cover any common element buildings and any other common property. The Lot Owner may also be required to purchase an individual policy. The amount of flood insurance should be at least equal to the lesser of 100% of the insurable value of the facilities or the maximum coverage available under the appropriate National Flood Insurance Administration program.

(c) Liability Insurance. A public liability policy covering the Common Area, sewer laterals, including the backup of sewer laterals, the Association and its Members for all damage or injury caused by the negligence of the Association or any of its Members or agents. The public liability policy shall have at least a One Million (\$1,000,000) Dollar single person limit as respects bodily injury and property damage, a Two Million (\$2,000,000) Dollar limit per occurrence, if reasonably available, and a One Million (\$1,000,000) Dollar minimum property damage limit. If possible, the policy should be written on the comprehensive form and shall include non-owned and hired automobile liability protection.

(d) Directors and Officers Insurance. A director’s and officer’s liability or errors and omissions policy, if reasonably available, with at least One Million (\$1,000,000) Dollars in coverage.

(e) Fidelity Bond. A separate fidelity bond in a reasonable amount to be determined by the Board to cover all non-compensated officers as well as all employees for theft of Association funds.

(f) Earthquake Insurance shall not be required unless requested by at least seventy- five percent (75%) of the Eligible Votes of the Members of the Association.

(g) Right to Adjust Claims. The Board may adjust claims and is hereby granted the right to refuse to submit the claim of a Lot Owner or Resident if: (a) the submittal threatens to cancel the Association’s insurance coverage or to substantially increase its premiums, (b) the claim occurred on the Lot of the claimant or the claim was caused by an item under claimant’s control, the negligence of the claimant or his failure to perform a maintenance duty required hereby, and (d) it is probable that the claim is covered by the claimant’s insurance. The Board may require that the claim be submitted first to the insurance carrier of the claimant and it be formally and unconditionally rejected or denied by his insurer in writing.

(h) Owner's Insurance. Each Owner shall purchase and maintain adequate liability and property insurance, and such other insurance as his independent insurance agent or broker shall recommend.

(i) Intent. The foregoing provisions shall not be construed to limit the power or authority of the Association, Board or Owners to obtain and maintain insurance coverage, in addition to any insurance coverage required hereunder, in such amounts and in such forms as the Board or Association may deem appropriate from time to time.

39. Destruction, Condemnation, and Obsolescence. The following provisions shall apply with respect to the destruction, condemnation, or obsolescence of the Project.

(a) Definitions. Each of the following terms shall have the meaning indicated:

(1) "Substantial Destruction" shall exist whenever, as a result of any damage or destruction to the Project or any part thereof, the excess of the estimated cost of Restoration over the funds available is twenty five percent (25%) percent or more of the estimated Restored Value of the Project.

(2) "Partial Destruction" shall mean any other damage or destruction to the Project or any part thereof which does not constitute Substantial Destruction.

(3) "Substantial Condemnation" shall exist whenever a complete taking of the Project or a taking of part of the Project has occurred under eminent domain or by grant or conveyance in lieu of condemnation, and the excess of the estimated cost of Restoration over the funds available is twenty five (25%) percent or more of the estimated Restored Value of the Project.

(4) "Partial Condemnation" shall mean any other taking by eminent domain or grant or conveyance in lieu thereof which does not constitute Substantial Condemnation.

(5) "Substantial Obsolescence" shall exist whenever the Project or any part thereof has reached such a state of obsolescence or disrepair that the excess of the estimated cost of Restoration over the funds available is twenty five percent (25%) percent or more of the estimated Restored Value of the Project.

(6) "Partial Obsolescence" shall mean any state of obsolescence or disrepair which does not constitute Substantial Obsolescence.

(7) "Restored Value" shall mean the fair market value of the Project after Restoration as determined by an MAI or other qualified appraisal.

(8) "Estimated Cost of Restoration" shall mean the estimated costs of restoring the Project to its former condition.

(9) "Available Funds" shall mean any proceeds of insurance, condemnation awards, payments in lieu of condemnation, and any uncommitted funds of the Board

or Association. Available Funds shall not include that portion of insurance proceeds legally required to be paid to any party other than the Association, including a mortgagee, or that portion of any condemnation award or payment in lieu of condemnation payable to the Owner or Mortgagee for the condemnation or taking of the Lot in which they are interested.

(b) Determination by Board. Upon the occurrence of any damage or destruction to the Project or any part thereof, or upon a complete or partial taking of the Project under eminent domain or by grant or conveyance in lieu thereof, the Board shall make a determination as to whether the excess of Estimated Cost of Restoration over Available Funds is twenty-five percent (25%) or more of the estimated Restored Value of the Project. In addition, the Board shall, from time to time, review the condition of the Project to determine whether Substantial Obsolescence exists. In making such determinations the Board may retain and rely upon one or more qualified appraisers or other professionals.

(c) Restoration of the Project. Restoration of the Project shall be undertaken by the Board promptly without a vote of the Owners in the event of Partial Destruction, Partial Condemnation, or Partial Obsolescence and shall also be undertaken in the event of Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence unless the failure to make Restoration is consented to by Owners collectively holding at least sixty-seven (67%) percent of the Project's Eligible Votes of the Members and is further consented to by at least fifty-one (51%) percent of the Eligible Mortgagees.

(d) Notices of Destruction or Obsolescence. Within thirty (30) days after the Board has determined that Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence exists, it shall send to each Owner and Eligible Mortgagee a written description of the destruction, condemnation, or state of obsolescence involved, shall take appropriate steps to ascertain the preferences of the Eligible Mortgagees concerning Restoration, and shall, with or without a meeting of the Owners (but in any event in accordance with the applicable provisions of this Declaration), take appropriate steps to determine the preferences of the Owners regarding Restoration.

(e) Excess Insurance. In the event insurance proceeds, condemnation awards, or payments in lieu of condemnation actually received by the Board or Association exceed the cost of Restoration when Restoration is undertaken, the excess shall be paid and distributed to the Owners in proportion to their respective membership interests in the Association. Payment to any Owner whose Lot is the subject of a Mortgage shall be made jointly to such Owner and the interested Mortgagee.

(f) Inadequate Insurance. If the cost of Restoration exceeds Available Funds, the Board may elect to make a Special Assessment in accordance with this Declaration to pay for the deficiency.

(g) Sale of Project. Unless Restoration is accomplished as set forth above, the Project may be sold in accordance with the Utah Revised Nonprofit Corporation Act, as the same may be amended from time to time, in the event of Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence. In the event of such sale, ownership under this

Declaration and the Plat Map shall terminate and the proceeds of sale and any Available Funds shall be distributed by the Board equally to the Owners. Payment to any Owner whose Lot is then the subject of a Mortgage shall be made jointly to such Owner and the interested Mortgagee.

(h) Authority of Board to Represent Owners in Condemnation or to Restore or Sell. The Board, as attorney-in-fact for each Owner, shall represent all of the Owners and the Association in any condemnation proceeding or in negotiations, settlements, and agreements with the condemning authority for the acquisition of all or any part of the Common Areas and Facilities.

(i) Settlement Proceeds. The award in any condemnation proceeding and the proceeds of any settlement related thereto shall be payable to the Association for the use and benefit of the Owners and their mortgagees as their interests may appear.

(j) Right of Entry. Such authority shall include the right and power to enter into any contracts, deeds or other instruments which may be necessary or appropriate for Restoration or sale, as the case may be.

(k) Termination of Legal Status. Any action to terminate the legal status of the Project after Substantial Destruction or Condemnation occurs shall be agreed to by Lot Owners who represent at least sixty-seven (67%) percent of the Eligible Votes of the Members of the Association and by at least fifty-one (51%) percent of the Eligible Mortgagees.

The termination of the legal status of the Project for reasons other than Substantial Destruction or Condemnation of the property shall be agreed to by at least sixty-seven (67%) percent of the Eligible Mortgagees. However, implied approval may be assumed when an Eligible Mortgagee fails to submit a response to any written proposal for an amendment within thirty (30) days after it receives proper notice of the proposal, provided the notice was delivered by certified or registered mail, with a "return receipt" requested.

40. Consent in Lieu of Vote. In any case in which this Declaration requires the vote of an Owner for authorization or approval of an act or a transaction, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Lots which collectively hold the required percentages, subject to the following conditions:

(a) Sixty-Day Limit. All necessary consents must be obtained prior to the expiration of sixty (60) days from the time the first written consent is obtained;

(b) Change In Ownership. Any change in Ownership of a Lot which occurs after consent has been obtained from the Owner having an interest therein shall not be considered or taken into account for any purpose; and

(c) Compliance with Statutes. Any such consent in lieu must also comply with the requirements of the Utah Revised Nonprofit Corporation Act, as amended from time to time.

41. Mortgagee Protection. Nothing herein contained, and no violation of these covenants, conditions and restrictions, shall invalidate or impair the lien of any mortgage or deed of

trust, given in good faith and for value, including by way of illustration but not limitation the security interest in a Lot and its appurtenant interest in the Association, the Common Area. Mortgagees are excluded from any leasing or rental restrictions when obtaining or after obtaining a Lot in foreclosure. The lien or claim against a Lot for unpaid Assessments levied by the Board or by the Association pursuant to this Declaration shall be subordinate to any Mortgage recorded on or before the date such Assessments become due. In addition:

(a) Effects of Voluntary and Involuntary Sale. The lien or claim against a Lot for such unpaid Assessments shall not be affected by any sale or transfer of such Lot, except that a sale or transfer pursuant to a foreclosure of the Mortgage affecting such Lot or the exercise of a power of sale available thereunder shall extinguish any debt payable prior to such sale or transfer. Nevertheless, any such unpaid Assessments which are extinguished in accordance with the foreclosure or power of sale shall not relieve the purchaser or transferee of such Lot from liability for the lien of any Assessments becoming due thereafter.

(b) Books and Records Available for Inspection. The Board or the Association shall make available to the Owners, to Mortgagees, and lenders, and to holders, insurers, or guarantors of any Mortgage current copies of the Declaration, Bylaws, and administrative Rules and Regulations concerning the Project, as well as the books, records, and financial statements of the Board and the Association. The term "Available," as used in the Paragraph, shall mean available for reasonable inspection upon request during normal business hours or under other reasonable circumstances. The Association shall have the right to recover its photocopying and service charges incurred in making the inspection and photocopying available.

(c) Right to Financial Statement. The holder, insurer or guarantor of any Mortgage shall be entitled, upon written request, to a financial statement for the immediately preceding fiscal year. Any financial statement requested pursuant hereto shall be furnished to the requesting party within a reasonable time following such request.

(d) Management Contracts. Any agreement for professional management of the Project, and any contract for goods or services, or any lease which is entered into by the Board shall provide, or be deemed to provide hereby, that:

(1) Either party may terminate the contract with cause upon at least thirty (30) days prior written notice to the other party; and

(2) No contract may be for an initial term greater than two (2) years.

(e) Eligible Mortgagee Designation. Upon written request to the Board or the Association by the holder, insurer, or guarantor of a Mortgage (which request identifies the name and address of such holder, insurer or guarantor and the Lot Number or address of the property encumbered by the Mortgage held or insured by such holder, insurer, or guarantor), such holder insurer, or guarantor shall be deemed thereafter to be an "Eligible Mortgagee" or "Eligible Insurer" or "Eligible Guarantor," as the case may be, shall be included on the appropriate lists maintained by the Association, and shall be entitled to timely written notice of any of the following:

(1) Condemnation Loss or Award. Any condemnation loss or any casualty loss which affects a material portion of the Project or any Lot on which there is a Mortgage held, insured, or guaranteed by such Eligible Mortgagee, Insurer or Guarantor.

(2) Delinquency. Any delinquency in the payment of Assessments owed by an Owner of a Lot subject to a Mortgage held, insured or guaranteed by such Eligible Mortgagee, Insurer or Guarantor, which delinquency remains uncured for a period of sixty (60) days.

(3) Lapse of Insurance. Any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Board or the Association.

(4) Consent Required. Any proposed action which would require the consent of a specified percentage of Eligible Mortgagees.

42. Amendment. Anything to the contrary notwithstanding, while the Declarant is in control of the Association and prior to the termination of the Period of Declarant's Control, the Declarant may amend the Declaration or Plat Map without any additional consent or approval required. After transition, the affirmative vote of at least sixty-seven percent (67%) of the Eligible Votes of the Members of the Association shall be required and shall be sufficient to amend the Declaration. Any amendment so authorized shall be accomplished through the recordation of an instrument executed by the Board. In such instrument the Board shall certify that the vote required by this Section for amendment has occurred, and, if approval of a specified percentage of Eligible Mortgagees is required for such amendment, that such approval has been obtained. The foregoing right of amendment shall, however, be subject to the following:

(a) Consent of Eligible Mortgagee. The consent of at least sixty-seven percent (67%) of the Eligible Mortgagees shall be required for any amendment which would terminate the legal status of the Project; and the consent of at least fifty-one (51%) percent of the Eligible Mortgagees shall be required to:

- (1) redefine any Lot boundaries;
- (2) convert Lots into Common Areas or vice versa;
- (3) reduce the hazard or fidelity insurance requirements;
- (4) impose prohibitions on the leasing of Lots;
- (5) authorize a decision by the Association of fifty (50) or more Lots to establish self-management if professional management had been required previously by the Project Documents or by an Eligible Mortgage holder;
- (6) restore or repair the Project (after damage or partial condemnation) in a manner other than that specified in the Project Documents;

- (7) partition or separate from a Lot the non-exclusive right to access or use the Common Area; or
- (8) authorize any proposed amendment to provisions that expressly benefit mortgage holders, insurers or guarantors.

At least sixty (60) days prior written notice of any proposed amendment shall be given to each and every Mortgagee. If proper notice is given to a Mortgagee or other creditor, then a legal presumption is created that the Mortgagee and/or creditor consented, absent the delivery of a written objection. The foregoing consent requirements shall not be applicable to amendments to this Declaration and the Plat Map or the termination of the legal status of the Project if such amendments or such termination are made or accomplished in accordance with the provisions of this Declaration regarding Condemnation or Substantial Obsolescence.

43. Declarant's Sales Program. Anything to the contrary notwithstanding, for so long as Declarant continues to own any of the Lots, the following provisions shall be deemed to be in full force and effect, none of which shall be construed so as to relieve the Declarant from any obligations of an Owner to pay Assessments, except as herein otherwise provided, as to each Lot owned by Declarant in accordance with the Declaration. Until the Declarant has sold all of its Lots or seven years from the date of recording of this Declaration, whichever first occurs (the "Sale's Events Period"), neither the Owners, the Association nor the Board shall interfere with the completion of improvements and sale of all remaining Lots, and Declarant shall have the following rights in furtherance of any sales, promotions or other activities designed to accomplish or facilitate the sale of all Lots owned by Declarant:

(a) Sales Office and Model Dwellings. Declarant shall have the right to maintain one (1) or more sales offices and one (1) or more model Dwellings at any one time. Such office and/or models may be one or more of the Lots owned by the Declarant, one or more separate structures or facilities placed on the Property for the purpose of aiding Declarant's sales effort, or any combination of the foregoing;

(b) Promotional. Declarant shall have the right to maintain a reasonable number of promotional, advertising and/or directional signs, banners or similar devices at any place or places on the Property.

(c) Common Area Use. Declarant shall have the right to use the Common Areas of the Project.

(d) Relocation and Removal. Declarant shall have the right from time to time to locate or relocate any of its sales offices, models, or signs, banners or similar devices, but in connection with each such location or relocation shall observe the limitations imposed by the preceding portion of this Section. Until 120 days after the expiration of the Sale's Events Period, Declarant shall have the right to remove from the Project any signs, banners or similar devices and any separate structure or facility which was placed on the Property for the purpose of aiding Declarant's sales effort.

44. Limitation on Improvements by Association. Until the expiration of the Sale's Events Period, neither the Association nor the Board shall, without the written consent of Declarant, make any improvement to or alteration in any of the Common Areas and Facilities created or constructed by Declarant, other than such repairs, replacements, or similar matters as may be necessary to properly maintain the Common Areas as originally created or constructed by Declarant.

45. Completion Obligation. Declarant hereby covenants in favor of each Owner that within two (2) years from the date of any contract of sale:

(a) Lots. Each Lot which an Owner has contracted to purchase and the Building within which such Lot is contained or is to be contained, and the appurtenant Common Area, shall be substantially constructed and ready for use or occupancy (as the case may be); and

(b) Common Area. There shall be substantially completed and usable as part of the Common Areas all planned landscaping, green space, sidewalks, parking facilities, roads, fences, outdoor lighting, other Common Area improvements shown on the Plat Map, and utility lines and conduits adjacent to the Lot or Building in which a Lot is located, and necessary for its use.

46. Declarant's Rights Assignable. All of the rights of Declarant under this Declaration may be assigned or transferred either by operation of law or through a voluntary conveyance, transfer or assignment. Any Mortgage covering all Lots or Buildings in the Project, title to which is vested in Declarant, shall, at any given point in time and whether or not such Mortgage does so by its terms, automatically cover, encumber, and include all of the then unexercised or then unused rights, powers, authority, privileges, protections and controls which are accorded to Declarant (in its capacity as Declarant) herein.

47. Transfer of Management. Anything to the contrary notwithstanding, Declarant may at any time relinquish its reserved right (as a Class B Member) to select the Members of the Board and may elect to transfer the management of the Project to a Board elected by the Owners. Upon the termination of the Period of Declarant's Control, Declarant shall notify Owners in writing of the effective date of such transfer (the "Transfer Date"). Thereupon, the Owners shall call a meeting to elect the Members of the Board to take office as of the Transfer Date. Declarant covenants to cooperate with the Owners in effecting an orderly transition of management. Moreover, Declarant shall cause all obligations for Common Expenses of the Association prior to the Transfer Date to be paid in full on or before such date, and shall transfer any Association funds to the newly elected Board.

48. Interpretation. To the extent Utah law is consistent with this Declaration, such provisions shall supplement the terms hereof and are incorporated herein. The captions which precede the Articles and Sections of this Declaration are for convenience only and shall in no way affect the manner in which any provision hereof is construed. Whenever the context so requires, the singular shall include the plural, the plural shall include the singular, the whole shall include any part thereof, and any gender shall include both genders. The invalidity or unenforceability of any portion of this Declaration shall not affect the validity or enforceability of the remainder hereof.

49. Covenants to Run with Land. This Declaration and all the provisions hereof shall

constitute covenants to run with the land or equitable servitudes, as the case may be, and shall be binding upon and shall inure to the benefit of the Association, all other signatories hereto, all parties who hereafter acquire any interest in a Lot or in the Project, and their respective grantees, transferees, heirs, devisees, personal representative, successors, and assigns. Each Owner or occupant of a Lot shall comply with, and all interests in all Lots shall be subject to, the terms of this Declaration and the provisions of any rules, regulations, agreements, instruments, supplements, amendments, and determinations contemplated by this Declaration. By acquiring any interest in a Lot in the Project, the party acquiring such interest consents to, and agrees to be bound by, each and every provision of this Declaration.

50. Procedure for Adopting, Repealing or Modifying Rules. The Board of Directors may adopt, amend, modify, create, expand, or enforce rules and regulations as well as architecture and landscape design criteria. The rules, however, are subject to:

- (a) Any express provisions, restrictions and limitations in the Declaration;
- (b) The Business judgment rule⁵; and
- (c) The right of Owners to notice and to disapprove.

Before it adopts or changes a rule or regulation, the Board of Directors must provide the Owners within fifteen (15) days (unless a longer time is mandated by statute) of its meeting advance notice of its intention. Notice is not required in an emergency.⁶ The governing board must provide an open forum at a board meeting and provide Owners with a chance to be heard. The Owners may, within sixty (60) days, and by a vote of at least a majority of the total ownership at a special meeting called for this purpose disapprove the proposed rule or regulation.⁷

51. Equal Treatment; Rule Limitations.

- (a) The rules must treat similarly situated people the same, although the rules may vary according to the type of service provided.
- (b) The rules may not violate the right of Owners to display religious and holiday signs inside their dwelling, although the rules may define the time, place, and manner of displays visible from outside the Dwelling, Unit or Lot.
- (c) The rules may not regulate the content of political signs, although the Rules may define the time, place, and manner of displays visible from outside the Dwelling, Unit or Lot.

⁵ The business judgment rule is a presumption of the law that the governing board is acting in best interest of the association and, as a result, the decisions it makes are protected from judicial review in the event there is a loss or the decision turns out to be wrong, so long as the board did not violate its fiduciary duty to act in good faith and not commit a fraud, self-deal or have a conflict of interest, essentially, not to be guilty of intentional misconduct.

⁶ Imminent risk of immediate and substantial harm to person or property.

⁷ Note: The Board of Directors is NOT required to call a special meeting unless a petition is submitted to it in accordance with the requirements of the Bylaws for a petition to require a special meeting.

(d) The rules may not interfere with an Owner's determination of the composition of his or her household, although they may legally require the occupants to be members of a single housekeeping unit and may limit the total number of occupants permitted in a Dwelling, Unit based its size, configuration and a fair use of the common areas.

(e) The rules may not interfere with activities within a Lot or Dwelling Unit if the activity is legal. Limits may be made if the activities are not considered typical for a residential neighborhood, or if the activities create an additional expense for the association, or if the activities are dangerous or pose a health concern, or if the activities constitute a nuisance, create unreasonable noise or traffic, or are unsightly or annoying, or create secondary smoke issues.

(f) If federal, state or local law permits, rules may be adopted regulating use or behavior inside a Dwelling, Unit or Lot, including by way of illustration but not limitation smoking, rentals, noise, traffic and nuisance.

(g) The rules may address a variety of matters such as user fees, the availability of the Common Area and Facilities, the denial of access and use of recreational amenities to trespassers, violators, misusers or abusers, the transfer of lots, rental terms, the disposal of personal property, etc.

(h) The rules may regulate the maintenance and use of the Common Area and Facilities, late fees, accruing interest, indemnity, etc.

(i) No rule may be in conflict, inconsistent or incongruent with the Declaration and Bylaws. If any provision of this subsection is held to be illegal, invalid, or unenforceable under any present or future law, then that provision will be fully severable. This subsection will be construed and enforced as if the illegal, invalid, or unenforceable provision had never comprised a part hereof, and the remaining provisions of this subsection will remain in full force and effect and will not be affected by the illegal, invalid, or unenforceable provision or by its severance from this subsection. Furthermore, in lieu of each such illegal, invalid, or unenforceable provision, there will be added automatically, as a part of this subsection, a provision as similar in terms to such illegal, invalid, or unenforceable provision as may be possible and be legal, valid and enforceable.

52. Enforcement and Right to Recover Attorneys Fees. Should the Association or Board be required to take action to enforce the Declaration, Bylaws or any administrative Rules and Regulations adopted from time to time, or to pursue any remedy provided hereunder or by applicable law, whether such remedy is pursued by filing suit or otherwise, they may recover all Additional Charges, including a reasonable attorneys fee, which may arise or accrue.

53. Government Financing. Anything to the contrary notwithstanding, if any financing or the guaranty of any financing on a Lot is provided by the Federal Housing Administration of the United States Department of Housing and Urban Development (FHA), the Federal Home Loan Mortgage Corporation or the Mortgage Corporation (FHLMC), Federal National Mortgage Association (FNMA), Government National Mortgage Association (GNMA) or the Veterans Administration (VA), the right of the Association to dedicate or transfer all or any part of the

Common Area to any public agency, authority, or utility for the purpose of providing utilities and similar or related purposes, and the termination of the legal status of the Project for reasons other than substantial destruction or condemnation of the property, nor material amendment to the Declaration, or merger, may become effective, as to said Agencies, without their prior express written consent.

54. Fines and Sanctions. The Board is authorized to levy fines or other sanctions for violations of the Project Documents.

55. Term. This Declaration, including its amendments and supplements, shall continue for a term of fifty (50) years from its date of recordation. Thereafter, this Declaration shall be automatically extended for successive periods of ten (10) years until a vote of greater than fifty percent (50.01%) of the Eligible Votes of the Members of the Association determines that this Declaration shall terminate.

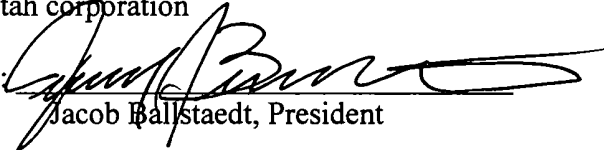

56. Action of Members. Any action allowed or required to be taken by the Members under this Declaration may be taken (i) at a meeting where Members are represented in person, by proxy or by ballot, (ii) by written consent without a meeting, or (iii) by ballot as the Bylaws may allow.

57. Effective Date. This Declaration, any amendment or supplement hereto, and any amendment or supplement to the Plat Map shall take effect upon its being filed for record in the office of the County Recorder of Salt Lake County, Utah.

2. Purpose. The Spring Creek Parties have asked the Company if they can wholly replace the Existing Ditch with the Pipeline. The Company is extremely reluctant, for many reasons based on a long history of experience, to replace

a linear, open water ditch that has been operating successfully for many, many years, with an underground, concrete pipe having four (4) ninety-degree turns that is likely to overflow upstream and is located in close proximity to residential dwellings with basements, including, without limitation, the anticipated loss of operational functionality and access, the additional difficulties of maintenance and repair, and the prospect of property damage and liability exposure.¹ Nevertheless, solely in an effort to accommodate the Spring Creek Parties, the Company has agreed to allow the Spring Creek Parties to replace the Existing Ditch with the Pipeline, but only strictly in accordance with the provisions of this Declaration. The Company is otherwise unwilling to permit such replacement, and is only doing so in reliance on each and every provision of this Declaration, each of which provides the required consideration for the Company to enter into this Declaration, and without any of which the Company would be unwilling to enter into this Declaration, including, without limitation, the timely payment and performance of each and every obligation of the Spring Creek Parties under this Declaration.

3. **Easement.** Developer, as the sole Owner of the Property, hereby conveys and warrants to the Company (subject only to the matters set forth in the Title Policy (as defined below)), and the Property shall be subject to and burdened by, a perpetual, non-exclusive easement for the laying, construction, installation, use, operation, inspection, servicing, maintenance, repair, removal, alteration, enlargement, relocation and replacement of the Pipeline on, under, through and across the Easement Area, together with such rights of entry on, passage over, and temporary deposit and storage of excavated earth, equipment and materials on, the Easement Area and areas adjacent thereto on the Property as may be reasonably necessary or useful therefor. Although the Pipeline will be subject to use by the Company in accordance with this Declaration, the Pipeline shall at all times be owned by the Spring Creek Parties or their respective successors or assigns, and not by the Company. In addition, if in the sole and absolute discretion of the Company, the Pipeline significantly decreases the utility of the Existing Ditch for its now-current use, increases the burden on the Company's use of the Existing Ditch in a way for which the Company is not compensated by the Spring Creek Parties, frustrates the purpose of the Existing Ditch or otherwise results in a situation that is materially, functionally less workable than the Existing Ditch, the Company may, at any time or from time to time, at the sole cost and expense of the Spring Creek Parties (including, without limitation, the removal and disposal of the Pipeline), replace all or a portion of the Pipeline with an open water ditch. The Company or persons acting by, through or under the Company may enter on any portion of the Easement Area and areas adjacent thereto on the Property at any time as may be reasonably necessary or appropriate in order to accomplish or to cause to be accomplished the laying, construction, installation, operation, inspection, servicing, maintenance, repair, removal, alteration, enlargement, relocation and replacement of the Pipeline, and in connection therewith, excavate and conduct construction activities on Easement Area. No fence, gate, wall, barricade or other obstruction, whether temporary or permanent in nature, which limits or impairs the free and unimpeded use of the easement and other rights granted in this Paragraph 2 shall be constructed or erected, nor shall any person in any other manner obstruct or interfere with the use of such easement. Fences constructed of wood, vinyl, composite, chain link or similar material are allowed to be installed perpendicular or near perpendicular to the Pipeline. No trees shall be permitted to grow in the Easement Area, but shrubs are allowed, and no buildings, other above-ground improvements or large rocks shall be permitted in the Easement Area other than typical landscaping (other than trees) and, where required for the roadway located on the Property, asphalt, sidewalk, curb and gutter. The Spring Creek Parties shall, at their sole cost and expense, promptly remove any such trees, buildings, other above-ground improvements or large rocks not expressly permitted by this Declaration. The Pipeline shall

¹ Specifically, such replacement raises the following concerns, among others: the Company can monitor flow by looking at the Existing Ditch, but cannot do so with the Pipeline; the Company has very little cost for maintenance of the Existing Ditch – when a problem occurs, the Company can see where it is and readily remedy the problem with a shovel, cleaning out a blockage or moving a headgate at no cost other than labor, which will not be the case with the Pipeline; there are no raccoons living and dying in the Existing Ditch, unlike the Pipeline; the water in the Existing Ditch is purified by running through an aesthetically pleasing, open ditch with plants along the side; people can easily know where the Existing Ditch is located, not so with the out-of-sight Pipeline that must be marked with above-ground stakes; new users of water are easily connected to the Existing Ditch, not so with the Pipeline; roots from trees affecting the Existing Ditch can be easily removed; by contrast, when roots get into the Pipeline, they are almost impossible to remove, and if you do, you need a vactor truck that costs over \$200 per hour, with roots that can take hours to remove and then just grow back; the Existing Ditch is conducive for wildlife and foliage, for example, frogs and snakes live in ditches, trees living along an open ditch have a water source, Holladay City promotes open ditches to keep the trees alive throughout the city and birds live in the trees; almost every problem the Company has with irrigation flow is in a pipe; pipes typically don't last forever and require replacement; pipes are often in places that are almost impossible to get equipment into; and open ditches seldom need trash racks, whereas with the Pipeline a new trash rack will need to be installed and monitored on a daily basis.

be for the exclusive use of the Company, and no connection by any other person may be made thereto, and no surface water or other drainage or other flow may be made therein, except as may expressly be approved in advance by the Company, which approval may be withheld by the Company in the Company's sole discretion. The Company and any users of the Pipeline approved by the Company shall have access to the Pipeline at any time, 24-hours a day, seven days a week. The Company shall be given keys to any locked gates, any dogs shall be immediately restrained and any other impingement to access to the Pipeline shall be immediately removed.

4. Construction and Repair; Bond; Insurance.

4.1. Construction and Repair. As soon as reasonably practicable, the Spring Creek Parties shall construct and put into full operation the Pipeline in a good, workmanlike and operable manner within the Easement Area in accordance with this Declaration, Laws and the plans (the "Plans") prepared by Ensign Engineering, Project No. 5851D, with print date of December 23, 2020, that were reviewed and approved by the Company. No topography within the Easement Area shall be altered from such plans without the Company's prior, written approval. If precast boxes are used, all pipes and irrigation connections shall be grouted and collared on both sides. The Spring Creek Parties shall install a trash rack on the South end of the Pipeline and a racoon guard on the North end of the Pipeline, 4' x 4' boxes with hinged lids and irrigation connections to the existing lots (the "Wesley Road Lots") fronting Wesley Road as shown on the Plat; provided, however, that if any of the owners of the Wesley Road Lots do not want a connection to the Pipeline, the Spring Creek Parties shall modify the Pipeline accordingly. When the subdivision boundary fence is installed along the northerly and easterly boundaries of the Wesley Road Lots, the Spring Creek Parties shall, at their sole cost and expense, install separate gates providing access to the Easement Area for each of the owners of the Wesley Road Lots that wish to have one, and shall coordinate with the Company for direction on which owners of the Wesley Road Lots want such gates. All actual connections to the Pipeline must be verified by the Company prior to commencement of construction of the Pipeline. The Spring Creek Parties must give advance notice by email and telephone to the Company as set forth above at least two (2) business days prior to the date on which (a) construction of the Pipeline will commence, (b) construction of the Pipeline will recommence if such construction is interrupted, or (c) any subsequent construction or repair affecting the Pipeline will commence or recommence. The Spring Creek Parties shall pay to the Company, within ten (10) business days after receipt of an invoice therefor, the sum of \$500 for each full or partial day on which any such construction or repair occurs for which the Company did not receive such advance notice. A Company representative shall be entitled to monitor and inspect all construction and repair of the Pipeline, and may, in its reasonable discretion, halt any such construction or repair if unsatisfactory to the Company, and in such event, such construction or repair shall not recommence unless and until the Company is satisfied that all defects have been cured and that such construction or repair will proceed in a satisfactory and workmanlike manner in accordance with Laws. No construction or repair work shall be buried unless and until the Company has inspected and approved such work (which inspection shall be completed by the Company promptly on receipt of written notice of the need to do so), and if any such work is buried prior to the Company's inspection and approval, such work shall be opened back up for inspection. Notwithstanding the foregoing or anything else contained in this Declaration to the contrary, the Company shall at all times have the right under Paragraph 2 to make such changes, modifications and alterations to the Pipeline as the Company may deem necessary or appropriate. Promptly following the construction and commencement of full operation of the Pipeline by the Spring Creek Parties in a good, workmanlike and operable manner within the Easement Area in accordance with this Declaration, Laws and the Plans, the Company shall relinquish, by execution, acknowledgment and delivery of a recordable instrument delivered to the Spring Creek Parties, in form and substance agreed on by the Parties prior to the execution and delivery of this Declaration, all right, title and interest of the Company in any portion of the historic easement held by the Company that is located on the Property but not located within the Easement Area.

4.2. Bond. Concurrently with the execution and delivery of this Declaration, Developer shall deliver to the Company a cash bond (the "Bond") in the amount of \$21,000. The Company may intermingle the Bond with the Company's own funds. The Bond is not a limitation on the Company's damages or other rights under this Declaration or a payment of liquidated damages and shall not be applied by the Spring Creek Parties to any amounts due under this

Declaration. If no uncured default of the Spring Creek Parties then exists under this Declaration, then within thirty (30) days after receipt by the Company of a factually correct notice from the Spring Creek Parties that construction of the Pipeline has been fully completed in accordance with this Declaration and Laws, and the Company has itself confirmed such completion, the Company shall remit to Developer a portion of the Bond equal to \$7,000, less all then unreimbursed costs, expenses, fees and charges paid or incurred by the Company (including, without limitation, time for Company representatives (at a rate of \$50 per hour, as such amount may be subsequently reasonably increased), materials, labor and reasonable attorneys' fees and costs. In addition, after one successful irrigation season following the completion of the construction of the Pipeline, if no uncured default of the Spring Creek Parties then exists under this Declaration, the Company shall remit to Developer a second portion of the Bond equal to \$7,000, less all then unreimbursed costs, expenses, fees and charges paid or incurred by the Company. The final \$7,000 balance of the Bond shall be non-refundable to Developer and retained by the Company

4.3. Insurance. On or before the date of this Declaration, the Spring Creek Parties shall, at their sole cost and expense, procure and continue in force the following insurance coverage and furnish the Company with certificates of coverage of such insurance: (a) commercial general liability insurance with limits of liability of not less than \$1,000,000 per occurrence and \$2,000,000 general aggregate for the Property; and (b) any insurance required by Laws for the protection of employees of the Spring Creek Parties working on the Property, including, without limitation, worker's compensation insurance and employers liability coverage with limits of liability of at least \$500,000 each accident / disease—each employee / disease policy limit. Such minimum limits shall in no event limit the liability of the Spring Creek Parties under this Declaration. Such liability insurance shall name the Company as an additional insured on a primary and non-contributory basis in comparison to all other insurance including the Company's own policy or policies of insurance, and shall be with companies authorized to do business in Utah and having a rating of not less than A--VII in the most recent issue of Best's Key Rating Guide, Property-Casualty. All such policies shall be written as primary policies, not contributing with and not in excess of the coverage that the Company may carry, and shall only be subject to reasonable deductibles. The Spring Creek Parties shall, prior to the expiration of such policies, furnish the Company with renewed certificates of insurance.

5. Maintenance. The Spring Creek Parties and their respective successors and assigns shall in perpetuity, at their sole cost and expense, maintain or caused by be maintained the Pipeline in a reasonably good, clean and safe condition and repair, and in good working condition, and shall promptly repair in a good and workmanlike manner any damage to the Pipeline, including, without limitation, daily cleaning of the trash rack and weekly inspecting / monitoring of the racoon guard during the irrigation season. On completion of any excavation or construction activities, the Spring Creek Parties shall promptly restore or caused to be restored any portion of the Property affected to the same condition as existed prior to the commencement of such activities, using the same type and quality of materials previously used. If the Spring Creek Parties fail to comply with the foregoing provisions or any other provisions of this Declaration within five (5) business days after receipt of written notice from the Company of such failure, the Company may (but is not obligated to), perform or cause to be performed such work as is necessary to cure such failure. In such event, all sums reasonably expended and all costs and expenses reasonably incurred by the Company in connection with such work, together with a service fee equal to fifty percent (50%) of such costs and expenses, plus a charge of \$500 per day for each full or partial day in which the Pipeline is out of service, shall bear interest from the date expended or incurred (as the case may be) at the rate of eighteen percent (18%) per annum (the "Interest Rate") until paid or otherwise satisfied in full, and shall be paid promptly to the Company by the Spring Creek Parties on written demand.

6. Interruption of Irrigation Flow. During the irrigation season (from April 1st through October 15th, inclusive, of each calendar year), the Spring Creek Parties must give advance notice by email and telephone to the Company as set forth above at least two (2) business days prior to the date on which irrigation flow is to be interrupted for any reason, whether such interrupted irrigation flow is of the Existing Ditch or the Pipeline. Provided that such notice is given in a timely manner, the Spring Creek Parties shall pay to the Company in advance the sum of \$200 for each full or partial day on which irrigation flow will be interrupted. If such advance notice is not received by the Company, if such amounts are not received by the Company in advance in full, or if there is an emergency interruption of the irrigation flow, the Spring Creek

Parties shall pay to the Company, within ten (10) business days after receipt of an invoice therefor, the sum of \$500 for each full or partial day on which irrigation flow is interrupted. In summary (and in supplement and not in limitation of any of the foregoing), during the irrigation season (from April 1st through October 15th, inclusive, of each calendar year) there is a \$200 per day prepayment when the Company is notified two (2) business days before construction. The \$200 per day is payable in advance of construction. If construction is stopped and then restarted, a two (2)-business day notification is also required and the \$200 per day is payable in advance of the restart date. If such two (2)-business day prior notice is not given, or there is an emergency shutdown of the irrigation water, the charge is \$500 per day. In the off-season of October 16th through March 30th, inclusive, a two (2)-business day notice of construction is also required, but there is not a \$200 per day charge. If construction is done in the off-season without notification, the charge is \$500 per day for each full or partial day of construction.

7. Nature of Declaration. Each easement, covenant and restriction contained in this Declaration (whether affirmative or negative in nature) shall (a) constitute a covenant running with the land, (b) bind every person having any fee, leasehold, Mortgage lien or other interest in any portion of the Property, and (c) benefit and bind any Owner whose title is acquired by judicial foreclosure, trustee's sale, deed in lieu of foreclosure or other means. This Declaration and each easement, covenant and restriction set forth in this Declaration shall be perpetual, and shall be binding, jointly and severally, on the Spring Creek Parties and each then-Owner of the Property. Developer and the Association shall be jointly and severally liable for all obligations of the Spring Creek Parties under this Declaration. If any Owner transfers all or any portion of the Property owned by such Owner, the transferee shall automatically be deemed to have assumed and agreed to be personally bound by the covenants contained in this Declaration, and if the transferring Owner (other than Developer, who shall not be released or discharged) has by such transfer transferred all of such Owner's ownership interest in the Property, such transferring Owner shall be released and discharged from all obligations under this Declaration that accrue after (but not before) the date of recordation in the Official Records of the instrument effecting such transfer. The interests in and rights concerning any portion of the Property held by or vested in the Spring Creek Parties or any other person on or after the date of this Declaration (including, without limitation, any Mortgage lien) shall be subject and subordinate to this Declaration, and this Declaration shall be prior and superior to such interests and rights, as may be necessary to effectuate all of the terms and provisions set forth in this Declaration. As of the date of this Declaration, the Spring Creek Parties represent and warrant to the Company that Developer is the sole Owner, and First Utah Bank, a Utah corporation ("**First Utah**"), is the sole Mortgagee, of the Property.

8. Indemnity; Payment; Lien. The Spring Creek Parties and all other Owners from time to time and their respective successors and assigns, jointly and severally (jointly and severally, the "**Indemnitors**"), shall indemnify, defend and hold harmless the Company from and against any claim, liability, loss, damage, cost or expense (including, without limitation, reasonable attorneys' fees and costs) related to the Pipeline, this Declaration and the performance of the Spring Creek Parties' obligations under this Declaration, and the Company shall have no obligation or liability whatsoever with respect thereto, including, without limitation, any obligation or liability with respect to any (a) structures or landscaping, (b) overflow upstream of the trash rack due to trash rack buildup, (c) increased liability caused by the Pipeline regarding structures or landscaping downhill from the Easement Area, as those would be in a potential flood-prone location, and (d) conflicting rights-of-way, easement rights or encroachments affecting the Easement Area. The Indemnitors shall pay to the Company within thirty (30) days after the receipt of an invoice therefor, all costs, expenses, fees and charges incurred or payable by the Company under or in connection with the Pipeline and this Declaration, including, without limitation, time for Company representatives (at a rate of \$50 per hour, as such amount may be subsequently reasonably increased), materials, labor and reasonable attorneys' fees and costs. If any such amount is not paid within such thirty (30)-day period, a late charge of five percent (5%) of such amount shall be payable, and interest at the Interest Rate shall accrue on such amount and such late charge until such amount, together with such late charge and interest, is paid in full. If the failure to pay in a timely manner any sum when due under this Declaration is not cured within ten (10) days after written notice is given by the Company to the Spring Creek Parties, such sum and any subsequent delinquencies may be secured by a lien against the entire Property. Such lien shall be evidenced by a notice of lien filed for record by the Company in the Official Records. A copy of such notice of lien shall be given by the Company to the Spring Creek Parties within ten (10) days

following recordation in the Official Records. Such notice of lien shall set forth the unpaid amount, the date such amount was due and a description of the Property, and be executed and acknowledged by the Company. Any such lien may be foreclosed in the same manner as is provided under applicable law for the foreclosure of Mortgages, but shall be subject and subordinate to (w) each Mortgage affecting the Property at the time such notice of lien is recorded, (x) this Declaration, (y) each (recorded or unrecorded) utility easement, right-of-way or similar interest affecting the Property at the time such notice of lien is recorded, and (z) the lien for general taxes and other governmental assessments, but shall be prior and superior to all other interests or estates (whether recorded or unrecorded at the time such notice of lien is recorded) in or respecting the Property.

9. Company Title Insurance. Concurrently with the execution and delivery of this Declaration, the Spring Creek Parties shall, at their sole cost and expense, cause to be issued by Old Republic National Title Insurance Company, an extended coverage ALTA owner's policy of title insurance (the "Title Policy") in the amount of \$15,000 pursuant to a pro forma policy of title insurance approved by the Company prior to the date of this Declaration: listing the Company as the insured; showing the Property as "Parcel 1: Fee Simple Interest," with Developer as the sole vestee of indefeasible fee simple title to the Property; showing the Easement Area as "S," insuring the Company's easement under this Declaration over and across the Easement Area; showing the First Utah Bank Construction Deed of Trust, recorded August 2, 2019 as Entry No. 13043901 in Book 10811 at Page 9085 of the Official Records, as subordinate to this Declaration; not showing any other Mortgages affecting the Property; and otherwise in form and substance reasonably acceptable to the Company.

10. Notices. Unless otherwise expressly provided in this Agreement, notice or demand to be given by any Party to any other Party or Parties shall be given in writing by personal service, express mail, FedEx, DHL or any other similar form of courier or delivery service, or mailing in the United States mail, postage prepaid, certified and return receipt requested, and addressed to such Party as set forth at the outset of this Agreement. Either Party may change the address at which such Party desires to receive notice on written notice of such change to the other Party. Any such notice shall be deemed to have been given, and shall be effective, on delivery to the notice address then applicable for the Party to which the notice is directed; provided, however, that refusal to accept delivery of a notice or the inability to deliver a notice because of an address change that was not properly communicated shall not defeat or delay the giving of a notice.

11. Modification. This Declaration and any easement, covenant or restriction contained in this Declaration may not be terminated, extended, modified or amended without the consent of the Parties, and any such termination, extension, modification or amendment shall be effective on recordation in the Official Records of a written document effecting the same, executed and acknowledged by the Parties; provided, however, that no such termination, extension, modification or amendment shall affect the rights of any Mortgagee then holding a Mortgage constituting a lien on any Property unless such Mortgagee consents to the same in writing.

12. Attorneys' Fees. If any Party brings suit to enforce or interpret this Declaration or for damages on account of the breach of any provision of this Declaration, the prevailing Party shall be entitled to recover from the other Party or Parties its reasonable attorneys' fees and costs incurred in any such action or in any appeal from such action, in addition to the other relief to which the prevailing Party is entitled. Concurrently with, and as a condition precedent to, the execution and delivery of this Declaration, Developer shall pay to the Company all outstanding attorneys' fees incurred by the Company in connection with the preparation and negotiation of this Declaration, and all outstanding amounts then owned to the Company.

13. General Provisions. This Declaration shall be governed by, and construed and interpreted in accordance with, the laws (excluding the choice of laws rules) of the state of Utah. This Declaration shall inure to the benefit of, and shall be binding on, the Parties and the heirs, personal representatives, successors and assigns of each Party. Time is of the essence in each provision of this Declaration. Whenever possible, each provision of this Declaration shall be interpreted in such manner as to be valid under applicable law; but, if any provision of this Declaration shall be invalid or prohibited under applicable law, such provision shall be ineffective to the extent of such invalidity or prohibition without invalidating the

remainder of such provision or the remaining provisions of this Declaration. Each exhibit referred to in, and attached to, this Declaration, as well as the consent of First Utah attached to this Declaration, are an integral part of this Declaration and are incorporated in this Declaration by this reference.

**ARTICLE II

2.1 Principal Office. The principal office of the Corporation shall be at 273 N. East Capitol Street, Salt Lake City, Utah 84103. The Board of Directors, in its discretion, may change from time to time the location of the principal office.

2.2 Registered Office and Agent. The Act requires that the Association have and continuously maintain in the State of Utah a registered office and a registered agent. The registered agent must be an individual who resides in the State of Utah and whose business office is identical with the registered office. The initial registered office and the initial registered agent are specified in the Articles of Incorporation and may be changed by the Association at any time, without amendment to the Articles of Incorporation, by filing a statement as specified by law with the Division.

ARTICLE III

MEMBERS

3.1 Members. A "Member," as provided in the Declaration, is the person or, if more than one, all persons collectively, who constitute the Owner of a Lot within the Development.

3.2 Memberships Appurtenant to Lots. Each Membership shall be appurtenant to the fee simple title to a Lot. The person or persons who constitute the owner of fee simple title to a Lot shall automatically be the holder of the Membership appurtenant to that Lot and the Membership shall automatically pass with fee simple title to the Lot.

3.3 Members' Voting Rights. A Member shall be entitled to one (1) vote for each Lot which he or it owns within the Development.

3.4 Voting by Joint Owners. In the event there is more than one (1) Owner of a particular Lot, the vote relating to such Lot shall be exercised as such Owners may determine among themselves. A vote cast at any Association meeting by any of such Owners, whether in person or by proxy or through ballot, shall be conclusively presumed to be the vote attributable to the Lot concerned, unless an objection is immediately made by another Owner of the same Lot. In the event such an objection is made, the vote involved shall not be counted for any purpose whatsoever, other than to determine whether a quorum exists.

3.5 Resolution of Voting Disputes. In the event of any dispute as to the entitlement of any Member to vote or as to the results of any vote of Members at a meeting, the Board of Directors of the Association shall act as arbitrators and the decision of a disinterested majority of the Board of Directors shall, when rendered in writing, be final and binding as an arbitration award and may be acted upon in accordance with Utah law.

3.6 Suspension of Voting Rights. The Board of Directors may suspend the voting rights of a Member for any period during which an assessment remains unpaid. The Board of Directors may also, after Notice and Hearing, suspend the right of the Member to use the Common Area and Facilities during and for up to sixty (60) days following any breach by such Member or Occupant of any provision of the Declaration or of any Rule or Regulation adopted by the Association unless such breach is a continuing breach, in which case such suspension shall continue for so long as such breach continues and up to sixty (60) days thereafter.

3.7 Transfer of Memberships on Association Books. Transfer of Membership shall be made on the books of the Association only upon presentation of evidence, satisfactory to the Association, of the transfer of ownership of the Lot to which the Membership is appurtenant. Prior to presentation of such evidence, the Association may treat the previous owner of the Membership as the owner of the Membership entitled to all rights in connection therewith, including the right to vote and to receive notice.

3.8 Assignment of Voting Rights to Tenants and Mortgagees. A Member may assign his right to vote to a tenant occupying his Lot or to a mortgagee of his Lot for the term of the lease or the mortgage and any sale, transfer or conveyance of the Lot, and the Lot upon which it is situated shall, unless otherwise provided in the document of sale, transfer or conveyance, be subject to any such assignment of voting rights to any tenant or mortgagee. Any such assignment of voting rights and any revocation or termination of any assignment of voting rights shall be in writing and shall be filed with the Secretary of the Association.

3.9 Online Voting. Secure online voting is allowed.

ARTICLE IV

MEETING OF MEMBERS

4.1 Place of Members' Meetings. Meetings of Members shall be held at the principal office of the Association or at such other place, within or convenient to the Development, as may be fixed by the Board of Directors and specified in the notice of the meeting.

4.2 Annual Meetings of Members. Annual Meetings of the Members shall be held at such time of day as is fixed by the Board of Directors and specified in the notice of meeting. The Annual Meetings shall be held to elect Directors of the Association and to transact such other business as may properly come before the meeting.

4.3 Special Meetings of Members. Special Meetings of the Members may be called by the President or the Board of Directors or by Members holding not less than twenty-five percent (25%) of the total votes of all Members, excluding votes of Declarant, or by Declarant if it holds at least ten percent (10%) of the total votes of all Members. No business shall be transacted at a Special Meeting of Members except as indicated in the notice thereof.

4.4 Record Date/Members List.

4.4.1. Record Date. The record date for the purpose of determining Members entitled to notice of, or to vote at, any meeting of Members or in order to make a determination of such Members for any other proper purpose for the taking of any other lawful action shall be as set forth in Subsection 4.4.2 below, unless the Board of Directors, in advance of sending notice, set a date by resolution as the record date for any such determination of Members. Such record date shall not be more than sixty (60) days prior to the meeting of Members or the event requiring a determination of Members.

4.4.2. Members Entitled to Notice. Members entitled to notice of a meeting of the Members are the Members of the Association at the close of business on the business day preceding the day on which notice is given, or, if notice is waived, at the close of business on the business day preceding the day on which the meeting is held. Members entitled to vote at a meeting of the Members are the Members of the Association on the date of the meeting, and who are otherwise eligible to vote. The record date for the purpose of determining the Members entitled to exercise any rights in respect of any other lawful action are Members of the Association at the later of (i) the close of business on the day on which the Board of Directors adopts the resolution relating to the exercise of the right; or (ii) the close of business on the sixtieth (60th) day before the date of the exercise of the right. A record date fixed under this Section may not be more than seventy (70) days before the meeting or action requiring a determination of Members occurs. A determination of members entitled to notice of or to vote at a meeting of Members is effective for any adjournment of the meeting unless the Board of Directors fixes a new date for determining the right to notice or the right to vote.

4.4.3. Member List. The Association shall only be required to prepare a list of the names of the Members as provided for in Section 9.3.3.

4.5 Notice of Members' Meetings. Written notice stating the place, day and hour of any meeting shall be delivered not less than ten (10) nor more than thirty (30) days before the date of the meeting, either personally or by first class or registered mail, by or at the direction of any of the Officers of the Association, or the Officers or persons calling the meeting, to each Member entitled to vote at such meeting. Notwithstanding the foregoing, notice given by other means shall be deemed fair and reasonable if given in accordance with the Act. The notice of an Annual, Regular or Special Meeting shall include (a) the names of any known candidate for Director and shall identify any other matter which it is known may come before the meeting; (b) potential conflicting interest transactions of a Director, party related to a Director, or an entity in which the Director is a director or has a financial interest, if any; (c) notice of any indemnification or advance of expenses to a director in connection with a legal "proceeding" as defined in the Act; (d) notice of any amendment to these Bylaws proposed by the Members and a copy, summary or general statement of the proposed amendment; (e) notice of a proposed plan of merger; (f) notice of a proposed sale of the properties by the Association other than in the regular course of activities; (g) notice of a proposed dissolution of the Association; and (h) any matter a Member intends to raise at the meeting if requested in writing to do so by a person entitled to call a Special Meeting and the request is received by the Secretary or President at least ten (10) days before the Association gives notice of the meeting. The notice of a Special Meeting shall state the purpose or purposes for which the meeting is called. If mailed, such notice shall be deemed to be delivered three (3) business days after a copy of the same has been deposited in the Loted States mail addressed to the Member at the street address given by the Member to the Association, or to the residence of such Member if no address has been given to the Association.

4.6 Proxies and Ballots Used at Meetings. A Member entitled to vote at a meeting may vote in person or ballot, or by proxy executed in writing by the Member or his duly authorized attorney-in-fact and filed with the Secretary of the meeting prior to the time the proxy is exercised. Any proxy or ballot may be revoked, prior to the time the proxy is exercised or the ballot counted, by (a) the Member attending the meeting and voting in person, or (b) the Member signing and delivering to the Secretary or other person authorized to tabulate proxy or ballot votes (i) a writing stating that the appointment of proxy or ballot is revoked, or (ii) a subsequent proxy form or ballot. A proxy or ballot shall automatically cease upon the conveyance by a Member of the Lot of the Member and the transfer of the Membership on the books of the Association. No proxy shall be valid after eleven (11) months from the date of its execution unless otherwise provided in the proxy. The death or incapacity of the Member appointing a proxy or issuing a ballot does not affect the right of the Association to accept the proxy's authority or count the ballot unless notice of the death or incapacity is received by the Secretary or other Officer or agent authorized to tabulate votes before the proxy exercises the proxy's authority or the ballot is counted. In addition to utilizing a ballot in connection with a meeting, the Association may utilize ballots without a meeting to take any action that may be taken at any annual, regular or special meeting of the Members provided the Association delivers a written ballot to every member entitled to vote. Any ballot utilized without a meeting shall be valid only when (1) the time by which all ballots must be received has passed so that a quorum can be determined and (2) the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot. All solicitations for votes by written ballot shall: (a) set forth each proposed action, (b) provide for an opportunity to vote for or against each proposed action, (c) indicate the number of responses needed to meet the quorum requirements; (d) state the percentage of approvals necessary to approve each matter other than election of Directors; (e) specify the time by which a ballot must be received by the Association in order to be counted; and (f) be accompanied by written information sufficient to permit each person casting the ballot to reach an informed decision on the matter.

4.7 Telecommunications. Any or all of the Members may participate in an Annual, Regular, or

Special Meeting of the Members by, or the meeting may be conducted through the use of, any means of communication by which all persons participating in the meeting may hear each other during the meeting. A member participating in a meeting by a means permitted under this Section is considered to be present in person at the meeting.

4.8 Quorum at Members' Meetings. Except as may be otherwise provided in the Declaration, the Articles of Incorporation, or these Bylaws, and except as hereinafter provided with respect to the calling of another meeting, the representation, in person, by proxy or by ballot, of Members entitled to cast at least twenty percent (20%) of the votes of all Members shall constitute a quorum at any meeting of such Members. Members present in person or by proxy or represented by ballot at a duly organized meeting may continue to transact business until adjournment, notwithstanding the withdrawal of Members so as to leave less than a quorum. If a quorum is not present at any meeting, another meeting may be called by the Board of Directors issuing a Notice of Members Meeting at which meeting the members that are present in person or by proxy or represented by ballot shall constitute a quorum, except as otherwise provided in the Declaration, the Articles of Incorporation, or these Bylaws. No such subsequent meeting shall be held more than forty-five (45) days following such preceding meeting at which a quorum was not present.

4.9 Adjournment of Members' Meetings. Members present in person or by proxy at any meeting at which a quorum or reduced quorum, as the case may be, was present may adjourn the meeting from time to time, without notice other than announcement at the meeting, for a total period or periods not to exceed forty-five (45) days after the date set for the original meeting. At any adjourned meeting which is held without notice other than announcement at the meeting, the quorum requirement shall be the same as the quorum requirement of the meeting so adjourned, and any business may be transacted which might have been transacted at the adjourned meeting.

4.10 Vote Required at Members' Meetings. At any meeting where a quorum is present, a majority of the votes present in person, ballot or by proxy and entitled to be cast on a matter shall be necessary for the adoption of the matter, unless a greater proportion is required by law, the Declaration, the Articles of Incorporation, or these Bylaws, except that, in the case of elections in which there are more than two (2) candidates, the persons receiving the highest number of votes shall be elected.

4.11 Cumulative Voting Not Permitted. Cumulative voting by Members in the election of Directors shall not be permitted.

4.12 Order of Business. The order of business at any meeting of Members shall be as follows: (a) roll call to determine the voting power represented at the meeting; (b) proof of notice of meeting or waiver of notice; (c) election of Directors, if applicable; (d) report of finances; and (e) any other Association business.

4.13 Expenses of Meetings. The Association shall bear the expenses of all Regular and Annual Meetings of Members and of Special Meetings of Members.

4.14 Waiver of Notice. A Member may waive any notice required by the Act or by these Bylaws, whether before or after the date or time stated in the notice as the date or time when any action will occur or has occurred. A waiver shall be in writing, signed by the Member entitled to the notice, and delivered to the Association for inclusion in the minutes; or filing with the corporate records. The delivery and filing required above may not be conditions of the effectiveness of the waiver. A Member's attendance at a meeting (a) waives objection to lack of notice or defective notice of the meeting, unless the Member at the beginning of

the meeting objects to holding the meeting or transacting business at the meeting because of lack of notice or defective notice, and (b) waives objection to consideration of a particular matter at the meeting that is not within the purpose or purposes described in the meeting notice, unless the Member objects to considering the matter when it is presented.

4.15 Action of Members Without a Meeting. Any action that may be taken at an annual or special meeting of the Members may be taken without a meeting and without prior notice if a consent, in writing, setting forth the action so taken, shall be signed by the members having not less than the minimum voting power that would be necessary to authorize or take the action at a meeting at which all of the Members entitled to vote with respect to the subject matter thereof were present and voted. Directors may not be elected by written consent except by unanimous written consent of all Members entitled to vote for the election of Directors. Any action taken under this Section must comply with the Act and is not effective unless all necessary written consents are received within a sixty (60) day period and have not been revoked. A written consent may be given by electronically transmitted facsimile or other form of communication providing the Association with a complete copy of the written consent, including a copy of the signature to the written consent.

4.16 Signature of Members. Except as otherwise provided in the Act, all votes, consents, written ballots, waivers, proxy appointments, and proxy or ballot revocations shall be in the name of the Member and signed by the Member with a designation of the Member's capacity; *i.e.*, owner, partner, president, director, member, trustee, conservator, guardian, etc.

ARTICLE V

BOARD OF DIRECTORS

5.1 General Powers and Duties of the Board of Directors. The Board of Directors shall have the duty to manage and supervise the affairs of the Association and shall have all powers necessary or desirable to permit it to do so. Without limiting the generality of the foregoing, the Board of Directors shall have the power to exercise or cause to be exercised for the Association all of the powers, rights and authority of the Association not reserved to Members in the Declaration, the Articles of Incorporation, these Bylaws, or the Act.

5.2 Special Powers and Duties of the Board of Directors. Without limiting the foregoing statement of general powers and duties of the Board of Directors or the powers and duties of the Board of Directors as set forth in the Declaration, the Board of Directors shall be vested with the following specific powers and duties:

5.2.1 Assessments. The duty to fix and levy from time to time assessments, special assessments, and all other assessments upon the Members of the Association as provided in the Declaration; and to enforce the payment of such delinquent assessments as provided in the Declaration.

5.2.2 Insurance. The duty to contract and pay premiums for fire and casualty and liability and other insurance in accordance with the provisions of the Declaration.

5.2.3 Common Area. The duty to manage and care for the Common Area, and to employ personnel necessary for the care and operation of the Common Area, and to contract and pay for

necessary or desirable Improvements on property acquired by the Association in accordance with the Declaration.

5.2.4 Agents and Employees. The power to select, appoint, and remove all Officers, agents, and employees of the Association and to prescribe such powers and duties for them as may be consistent with law, with the Declaration, the Articles of Incorporation, and these Bylaws.

5.2.5 Borrowing. The power, with the approval of the Members representing at least two-thirds (2/3) of the voting power of the Association, to borrow money and to incur indebtedness for the purpose of the Association, and to cause to be executed and delivered therefor, in the Association's name, promissory notes, bonds, debentures, mortgages, pledges, hypothecations or other evidences of debt, and securities therefor.

5.2.6 Enforcement. The power to enforce the provisions of the Declaration, the Rules and Regulations of the Association, these Bylaws, or other agreements of the Association.

5.2.7 Delegation of Powers. The power to delegate its powers according to law.

5.2.8 Rules and Regulations. The power to adopt such rules and regulations with respect to the interpretation and implementation of the Declaration, use of Common Area, and use of any property within the Development including Dwelling Lots and to levy fines and penalties for infractions and violations thereof; provided, however, that such rules and regulations shall be enforceable only to the extent that they are consistent with the Declaration, the Articles of Incorporation, and these Bylaws.

5.2.9 Emergency Powers. The right to exercise such emergency powers as provided for in the Act.

5.2.10 Finances. Common funds may only be deposited into institutions which are federally insured. Common funds shall be deposited into savings or money market accounts, or to purchase certificates of deposit. Other higher-risk investments, with a potential higher-rate-of-return, such as stocks, bonds, mutual funds and U.S. treasuries and the like, may only be used with the prior express written and affirmative consent of at least 75% of the Eligible Votes of the Members, all eligible mortgagees, and if any financing or the guaranty of any financing on a Lot or Dwelling Lot is provided by the Federal Housing Administration of the Loted States Department of Housing and Urban Development (FHA), the Federal Home Loan Mortgage Corporation or the Mortgage Corporation (FHLMC), Federal National Mortgage Association (FNMA), Government National Mortgage Association (GNMA) or the Department of Veterans Affairs (VA).

5.3 Qualifications of Directors. A Director must be a natural person 18 years of age or over and an Owner of a Lot within the Development or, if the Owner of any such Lot is a partnership, corporation, or limited liability company, must be a designated representative of such partnership, corporation, or limited liability company, except during the Period of Declarant's Control when the Declarant may appoint persons to the Board not owning a Lot. If a Director conveys or transfers title to his Lot, or if a Director who is a designated representative of a partnership, corporation, or limited liability company ceases to be such designated representative, or if the partnership, corporation, or limited liability company of which a Director is a designated representative transfers title to its Lot, such Director's term as Director shall immediately terminate and a new Director shall be selected as promptly as possible to take such Director's place.

Notwithstanding anything in this Section to the contrary, none of the initial Directors, as designated in the Articles of Incorporation, shall be required to have any ownership interest in any Lot in order to qualify to serve as a Director until the first election of Directors by the Members. Any Director no longer qualified to serve under the standards provided for in this Section 5.3 may be removed by a majority vote of the Directors then in office.

5.4 Number of Directors. The number of Directors of the Association shall be three (3).

5.5 Term of Office of Directors and Elections. Except as provided in Section 4.15 and the Declarant's Right during the Period of Declarant's Control to appoint Persons to the Board, the Board of Directors shall be elected by secret ballot at a meeting of the Members to serve as follows:

At each annual meeting, the Members shall elect Directors for terms of two (2) years, with an odd number of Directors (at least two (2) less than the entire Board) elected in odd-numbered years and an even number of Directors elected in even-numbered years. In the initial election of Directors, the method of election shall provide that the term of an odd number of Directors (at least two (2) less than the entire Board) shall expire in the next odd numbered year, and the term of an even number of trustees shall expire in the next even numbered year.

Directors newly elected at the Annual Meeting shall take office on the first day of the month following the Annual Meeting. Said newly elected Directors are invited to attend Board of Directors meetings to familiarize them with the Association procedures prior to taking office. Only Members who are not in violation of the Declaration, these Bylaws, or Association Rules and Regulations shall be eligible to run for a position on the Board of Directors.

In an election of multiple Directors, that number of candidates equaling the number of Directors to be elected, having the highest number of votes cast in favor of their election, are elected to the Board of Directors. When only one (1) Director is being voted upon, the candidate having the highest number of votes cast in his or her favor is elected to the Board of Directors.

5.6 Nominating Committee. Nominations for election to the Board of Directors shall be made by a Nominating Committee. Nominations may also be made from the floor at the Annual Meeting. The Nominating Committee shall consist of a chairman, who shall be a member of the Board of Directors, and two or more members of the Association. The Nominating Committee shall be appointed by the Board of Directors prior to each annual meeting of the Members, to serve from the close of such Annual Meeting until the close of the next annual meeting and such appointment shall be announced at each annual meeting. The Nominating Committee shall make as many nominations for election to the Board of Directors as it shall in its discretion determine, but not less than the number of vacancies that are to be filled. Except for the initial Board of Directors appointed by the Declarant, such nominations shall be made from among the Members.

5.7 Removal of Directors By the Members. At any meeting of the Members, the notice of which indicates such purpose, any or all of the Directors may be removed, with or without cause, by the affirmative vote of Members holding a majority of the voting interests of all Members; and a successor may be then and there elected to fill the vacancy thus created.

5.8 Resignation of Directors. Any Director may resign at any time by giving written notice to the President, to the Secretary, or to the Board of Directors stating the effective date of such resignation. Acceptance of such resignation shall not be necessary to make the resignation effective. A Director who

resigns may deliver to the Utah Department of Commerce, Division of Corporations and Commercial Code a statement setting forth (a) that person's name; (b) the name of this Association; (c) information sufficient to identify the report or other document in which the person is named as a Director or Officer; and (d) the date on which the person ceased to be a Director or Officer or a statement that the person did not hold the position for which the person was named in the corporate report or other document.

5.9 Vacancies in the Board of Directors. Any vacancy occurring in the Board of Directors shall be filled by the affirmative vote of a majority of the remaining Directors, though less than a quorum of the Board of Directors. A Director elected or appointed to fill a vacancy shall be elected or appointed for the unexpired term of his predecessor in office. A directorship to be filled by reason of an increase in the number of Directors shall be filled only by vote of the Members. A Director elected by the Board of Directors to fill the vacancy of a Director elected by the voting Members may be removed without cause by the voting Members, but not the Board of Directors. Should any vacancy of the Board of Directors remain unfilled for a period of two (2) months, the Members may, at a Special Meeting of the Members called for that purpose, elect a Director to fill such vacancy by a majority of the votes which Members present at such meeting, or represented by proxy or ballot, are entitled to cast.

5.10 Appointment of Committees. The Board of Directors, by resolution adopted by a majority of the Directors in office, may designate and appoint one or more committees which shall consist of two or more Directors and which, unless otherwise provided in such resolution, shall have and may exercise the authority to make recommendations (but not final decisions) to the Board of Directors in the management of the Association, except authority with respect to those matters specified in the Act as matters which such committee may not have and exercise the authority of the Board of Directors.

5.11 General Provisions Applicable to Committees. The designation and appointment of any committee and the delegation thereto of authority shall not operate to relieve the Board of Directors, or any individual Director, of any responsibility imposed upon it or him by law. The provision of these Bylaws with respect to notice of meeting, waiver of notice, quorums, adjournments, vote required and action by consent applicable to meetings of the Board of Directors shall be applicable to meetings of committees of the Board of Directors.

ARTICLE VI

MEETING OF DIRECTORS

6.1 Place of Directors' Meetings. Meetings of the Board of Directors shall be held at the principal office of the Association or at such other place, within or convenient to the Development, as may be fixed by the Board of Directors and specified in the notice of the meeting.

6.2 Annual Meeting of Directors. The Annual Meeting of the Board of Directors shall be held on the same date as, or within ten (10) days following, the Annual Meeting of Members and also on the date that newly elected Directors take office. The Business to be conducted at the Annual Meeting of the Board of Directors shall consist of the appointment of Officers of the Association and the transaction of such other business as may properly come before the meeting. No prior notice of the Annual Meeting of the Board of Directors shall be necessary if the meeting is held on the same day and at the same place as the Annual Meeting of Members at which the Board of Directors is elected or if the time and place of the Annual Meeting of the Board of Directors is announced at the Annual Meeting of Members.

6.3 Other Regular Meetings of Directors. The Board of Directors may hold other regular meetings and may, by resolution, establish in advance the times and places for such regular meetings. No prior notice of any regular meeting need be given after establishment of the time and place thereof by such resolution.

6.4 Special Meetings of Directors. Special Meetings of the Board of Directors may be called by the President or any two (2) members of the Board of Directors other than the President.

6.5 Notice of Directors' Meetings. In the case of all meetings of the Board of Directors for which notice is required by these Bylaws, notice stating the place, day and hour of the meeting shall be delivered not less than three (3) nor more than thirty (30) days before the date of the meeting, by mail, fax, telephone or personally, by or at the direction of the persons calling the meeting, to each member of the Board of Directors. If mailed, such notice shall be deemed to be delivered three (3) business days after a copy of the same has been deposited in the Loted States mail addressed to the Director at his home or business address as either appears on the records of the Association, with postage thereon prepaid. If faxed, such notice shall be deemed delivered when the transmission is complete. If by telephone such notice shall be deemed to be delivered when given by telephone to the Director. If given personally, such notice shall be deemed to be delivered upon delivery of a copy of a written notice to, or upon verbally advising, the Director or some person who appears competent and mature at his home or business address as either appears on the records of the Association.

Neither the business to be transacted at, nor the purpose of, any Regular or Special Meeting of the Board of Directors need be specified in the notice or waiver of such meeting.

6.6 Proxies. For purposes of determining a quorum with respect to a particular proposal, and for purposes of casting a vote for or against a particular proposal, a Director may be considered to be present at a meeting and to vote if the Director has granted a signed written proxy: (i) to another Director who is present at the meeting; and (ii) authorizing the other Director to cast the vote that is directed to be cast by the written proxy with respect to the particular proposal that is described with reasonable specificity in the proxy. Except as provided in this Section 6.6 and as permitted by Section 6.13, Directors may not vote or otherwise act by proxy.

6.7 Telecommunications. The Board of Directors may permit any Director to participate in a Regular or Special Meeting by, or conduct the meeting through the use of, any means of communication by which all Directors participating may hear each other during the meeting. A Director so participating in such a meeting is considered to be present in person at the meeting.

6.8 Quorum of Directors. A majority of the number of Directors fixed in these Bylaws shall constitute a quorum for the transaction of business. For the purpose of determining the presence of a quorum, Directors will be counted if represented in person or by proxy, if applicable.

6.9 Adjournment of Directors' Meeting. Directors present at any meeting of the Board of Directors may adjourn the meeting from time to time, whether or not a quorum shall be present, without notice other than announcement at the meeting, for a total period or periods of not to exceed thirty (30) days after the date set for the original meeting. At any adjourned meeting which is held without notice other than announcement at the meeting, the quorum requirement shall not be reduced or changed, but if the originally required quorum is present, any business may be transacted which might have been transacted at the meeting

as originally called.

6.10 Vote Required at Directors' Meeting. At any meeting of the Board of Directors, if a quorum is present, a majority of the votes present in person or by proxy, if applicable, and entitled to be cast on a matter shall be necessary for the adoption of the matter, unless a greater proportion is required by law, the Declaration, the Articles of Incorporation, or these Bylaws.

6.11 Officers at Meetings. The President shall act as chairman and the Board of Directors shall appoint a secretary to act at all meetings of the Board of Directors.

6.12 Waiver of Notice. A waiver of notice of any meeting of the Board of Directors, signed by a Director, whether before or after the meeting, shall be equivalent to the giving of notice of the meeting to such Director. Attendance of a Director at a meeting in person shall constitute waiver of notice of such meeting unless (a) at the beginning of the meeting or promptly upon the Director's later arrival the Director objects to holding the meeting or transacting business at the meeting because of lack of notice or defective notice and, after objecting, the Director does not vote for or assent to action taken at the meeting, or (b) the Director contemporaneously requests that the Director's dissent or abstention as to any specific action taken be entered in the minutes of the meeting; or (c) the Director causes written notice of the Director's dissent or abstention as to any specific action to be received by (i) the presiding officer of the meeting before adjournment of the meeting; or (ii) the Association promptly after adjournment of the meeting.

6.12.1 Dissent or Abstention. The right of dissent or abstention pursuant to Section 6.12 is not available to a Director who votes in favor of the action taken.

6.13 Action of Directors Without a Meeting. Any action required to be taken or which may be taken at a meeting of the Board of Directors may be taken without a meeting and without prior notice if a consent in writing, setting forth the action so taken, shall be signed by all of the Directors. Any action taken under this Section 6.13 is not effective unless all written consents are received within a sixty (60) day period and have not been revoked.

6.14. Meetings. Meetings are not required to be open.

6.15. Executive Session. The Board, with approval of a majority of a quorum, may adjourn a meeting and reconvene an executive session to discuss and vote upon personnel matters, litigation or threatened litigation in which the Association is or may become involved, and orders of business of a privileged, confidential, sensitive or similar nature. The nature of any and all business to be considered in an executive session shall first be announced in open session.

MISCELLANEOUS

9.1 Amendment/Conflict. These Bylaws may be amended, at any Regular, Annual, or Special Meeting of the Board of Directors, by a vote of the majority of the Board of Directors, except if it would result in a change of the rights, privileges, preferences, restrictions, or conditions of a Membership class as to voting, dissolution, redemption, or transfer by changing the rights, privileges, preferences, restrictions, or conditions of another class. The Members may amend the Bylaws even though the Bylaws may also be amended by the Board of Directors. Amendments to the Bylaws by Members shall be made in accordance with the Act. (a) "Member" includes: (i) a beneficial owner whose membership interest is held in a voting trust; and (ii) any other beneficial owner of a membership interest who establishes beneficial ownership; and (b) "proper purpose" means a purpose reasonably related to the demanding Member's or Director's interest as a Member or Director.

9.4.5 The right of inspection granted by this Section may not be abolished or limited by the Articles of Incorporation or these Bylaws.

9.4.6 This Section does not affect: (a) the right of a Director or Member to inspect records relating to ballots; (b) the right of a Member to inspect records to the same extent as any other litigant if the Member is in litigation with the Association; or (c) the power of a court, independent of this Article, to compel the production of corporate records for examination.

The right to copy records under Section 9.4 includes, if reasonable, the right to receive copies made by photographic, xerographic, electronic, or other means. *Except for requests for financial statements, the Association may impose a reasonable charge covering the costs of labor and material for copies of any documents provided to the Director or Member.* The charge may not exceed the estimated cost of production and reproduction of the records. The nonprofit corporation may comply with a Director's or Member's demand to inspect the record of Members under Subsection 9.3.3 by furnishing to the Director or Member a list of Directors or Members that: (a) complies with Subsection 9.3.3; and (b) is compiled no earlier than the date of the Director's or Member's demand. Concerning financial statements, by no later than fifteen (15) days after the day on which the Association receives a written request of any Member, the Association shall mail to the Member the following that show in reasonable detail the assets and liabilities and results of the operations of the Association: (a) the Association's most recent annual financial statements, if any; and (b) the Association's most recently published financial statements, if any. Without consent of the Board of Directors, a membership list or any part thereof may not be obtained or used by any person for any purpose unrelated to a Member's interest as a Member.

Such statement shall, with respect to the party to whom it is issued, be

conclusive against the Association and all parties, for all purposes, that no greater or other amounts were then due or accrued and unpaid and that no other assessments have been levied.

9.8 Annual Corporation Reports. The Association shall file with the Division of Corporations and Commercial Code for the Utah Department of Commerce, within the time prescribed by law, annual corporate reports in such form and containing the information required by law and shall pay the fee for such filing as prescribed by law.

Notwithstanding the foregoing paragraph, the Association may issue certificates evidencing Membership therein, may confer benefits upon its Members in conformity with its purposes and, upon dissolution or final liquidation, may make distributions as permitted by law, and no such payment, benefit or distribution shall be deemed to be a dividend or distribution of income or profit.

9.12 Loans to Directors, Officers and Members Prohibited. No loan shall be made by the Association to its Members, Directors or Officers, and any Director, Officer or Member who assents to or participates in the making of any such loan shall be liable to the Association for the amount of such loan until the repayment thereof.

9.13 Limited Liability. The Association, the Board of Directors, and Declarant, and any agent or employee of any of the same shall not be liable to any person for any actions or for any failure to act in connection with the affairs of the Association if the action taken or failure to act was in good faith and without malice.

Minutes or any similar record of the meetings of Members or of the Board of Directors, when signed by the Secretary or acting Secretary of the meeting, shall be presumed to truthfully evidence the matters set forth therein. A recitation in any such minutes that notice of the meeting was properly given shall be prima facie evidence that the notice was given.

9.15 Checks, Drafts and Documents. All checks, drafts or other orders for payment of money, notes or other evidences of indebtedness, issued in the name of or payable to the Association, shall be signed or endorsed by such person or persons, and in such manner as, from time to time, shall be determined by resolution of the Board of Directors.

ARTICLE X

ENFORCEMENT RIGHTS

In the event of an alleged violation by a Member or Resident (“Respondent”) of the Declaration, these Bylaws, or the Rules and Regulations of the Association, the Board of Directors shall have the right, upon an affirmative vote of a majority of all Directors on the Board of Directors, to take any one or more of the actions and to pursue one or more of the remedies permitted under the provisions of the Declaration, these Bylaws, or the Rules and Regulations of the Association. If, under the provisions of the Declaration, these Bylaws, or the Rules and Regulations, a Notice of Noncompliance and Right to Hearing is required prior to taking action or pursuing remedies, the Board shall give the Member notice and an opportunity to be heard. The remedies set forth and provided in the Declaration, the Rules and Regulations of the Association or these Bylaws shall be cumulative and none shall be exclusive. However, any individual Member must exhaust all available internal remedies of the Association prescribed by the Declaration, these Bylaws, and other Rules and Regulations of the Association before that Member may resort to a court of law for relief with respect to any alleged violation by another Member of the Declaration, these Bylaws, or the Rules and Regulations of the Association, provided that the foregoing limitation pertaining to exhausting administrative remedies shall not apply (i) to the Board of Directors or to any Member where the complaint alleges nonpayment of assessments, special assessments or other assessments, or (ii) to matters the Board of Directors determines in its discretion will (a) affect the safety of the Common Area or Facilities or the Owners or their property or (b) will result in irreparable harm to the Association if not quickly remedied. In such cases, the Board of Directors may immediately file suit.
