The Crawford leaves no space wasted! A large front porch allows for exterior space to enjoy your home, while also providing an extension to the home's interior entry. The sizable great room leads the way into the well-appointed dining and kitchen space. The kitchen's open L-shaped counter and island provide plenty of room for prep, while still allowing for privacy from the entry. Not to disappoint the upstairs offers a roomy loft with laundry room, two bedrooms and hall bath. Rounding out this home's impressive sense of grandeur, is the primary suite featuring a large primary bath, two separate closets and spacious bedroom.
